4. **EXECUTIVE SUMMARY**

The City of Cape Town: Control of Undertakings that Sell Liquor to the Public By-Law, 2013, was promulgated on 17 January and coming into effect on 01 February 2014.

An application for extension of liquor trading hours in terms of Section 6 (1) of the By-law was submitted to the Health Directorate and circulated to the relevant departments for comment. The fully signed application, including all required comments, was submitted to the Subcouncil 16 Manager, and was then circulated to all organisations included on the Ward 115 database and ward committee members for comment.

Clause 9 of the By-law requires that the City must, before approving an application for the extension of trading days and hours, reasonably and fairly consider further factors which must include, inter alia-

- (b) where applicable, the validity of a business licence issued in terms of the Businesses Act of 1991 (Act No. 71 of 1991);
- (c) location category as per the Schedule;
- (d) previous suspension, amendment or revocation of extended trading days and hours including previous records of complaints investigated and confirmed in respect of the last twelve months preceding a current application for extension;
- (e) the proximity of the licensed premises to surrounding residential zoned area, cultural, religious and educational facilities;
- (f) outcome of community consultation and the recommendation of the relevant ward;
- (g) the potential impact on the surrounding environment;
- (h) whether it is in the public interest to approve and grant an extension of trading days or hours; or
- (i) a motivation from the applicant dealing with the impact of –
  - (i) the risks to and nuisances on the surrounding community;
  - (ii) mitigation measures to assist the control of risks and nuisances; and
 possible benefits of extended liquor trading hours and days on the surrounding community.

(10) The basis and rationale behind all decision-making must be recorded.

Extension of Liquor Trading Hours to be displayed together with Liquor License

AREA Head Environmental Health

Director: City Health

*Annexure B*

City of Cape Town

**Application for extension of trading hours:**

1. Shoprite Checkers (Pty) Ltd ("Shoprite Checkers") currently has 41 (forty one) liquor shops and 75 grocer wine licenses in die Western Cape, which provides employment for 105 (one hundred and five) full time employees and an additional 31 (thirty one) third party workers consisting of security officers and cleaning assistants.
2. The amount of workers in a specific liquor shop is based on the number of shifts scheduled for that particular store. The longer the trading hours of the store, the more shifts are required to ensure that the store achieves maximum productivity and efficiency and jobs and additional income for individuals is accordingly generated in the process. Public consumption of any commodity boosts economic growth.
3. We do not believe that there is a downside to longer trading hours or including Sundays to trade. The question should therefore be centralised around public and economic policy. By allowing reputable retailers (such as Shoprite Checkers) to trade on Sundays (for instance), we submit that the playing field, with reference to illegal liquor traders, will be levelled as it stands to reason that their commercial relevance will dissipate. It should be noted that it will remain less challenging to continue policing the compliance of large retailers with liquor laws as the processes of a retailer such as Shoprite Checkers are visible and transparent and Shoprite Checkers prides itself that it trades in strict compliance with the prescribed hours in the Act, and continues to ensure that it does not sell alcohol to minors. Another factor which should not be discounted is that of convenience, especially where time is a valuable commodity for most consumers.
4. When consumers therefore go to a grocery store on a Sunday, they want to do all of their family grocery shopping at that time. This could include buying wine other liquor simultaneously.
