MOTION TO SUBCOUNCIL 7 : 18 JANUARY 2021

MOTION TO HONOUR STAFF FROM SUBCOUNCIL 7 FOR WORK PERFORMED 2020

In terms of par 5 of the Conferment of Civic Honours Policy of Council, Subcouncils may :

5. SUBCOUNCILS

5.1 A Subcouncil may recognise outstanding achievements and service by both civil society and staff within their areas of jurisdiction through the presentation of a suitable standard certificate.

5.4 A resolution of the Subcouncil to award a certificate shall be carried by an ordinary resolution.

MOTIVATION :

During 2020 all staff were subjected to working under extremely difficult circumstances as a result of Covid19 and the applicable DMA Regulations. Subcouncil 7 staff have continued to deliver exceptional service to the community and had to perform additional functions which included the humanitarian food relief programme and community based teams project which were implemented very successfully to assist our communities. These functions were also performed remotely with limited resources in some instances. It would be appropriate for Subcouncil to acknowledge the exceptional service, dedication and commitment of its support staff.

RECOMMENDED:

That Certificates of Appreciation be handed over to all Subcouncil staff for their dedication and commitment during 2020, this to be done at the February Subcouncil meeting.
