---

**4. EXECUTIVE SUMMARY**

The City of Cape Town: Control of Undertakings that Sell Liquor to the Public By-Law, 2013, was promulgated on 17 January and coming into effect on 01 February 2014.

An application for extension of liquor trading hours in terms of Section 6 (1) of the By-law was submitted to the Health Directorate and circulated to the relevant departments for comment. The fully signed application, including all required comments, was submitted to the SubCouncil 16 Manager, and was then circulated to abutting neighbours, all organisations included on the Ward 74 database and ward committee members for comment.

Clause 9 of the By-law requires that the City must, before approving an application for the extension of trading days and hours, reasonably and fairly consider further factors which must include, inter alia-

- (a) the validity of the liquor licence;
- (b) where applicable, the validity of a business licence issued in terms of the Businesses Act of 1991 (Act No. 71 of 1991);

- (c) location category as per the Schedule;
- (d) previous suspension, amendment or revocation of extended trading days and hours including previous records of complaints investigated and confirmed in respect of the last twelve months preceding a current application for extension;
- (e) the proximity of the licensed premises to surrounding residential zoned area, cultural, religious and educational facilities;
- (f) outcome of community consultation and the recommendation of the relevant ward;
- (g) the potential impact on the surrounding environment;
- (h) whether it is in the public interest to approve and grant an extension of trading days or hours; or
- (i) a motivation from the applicant dealing with the impact of –
  - (i) the risks to and nuisances on the surrounding community;
  - (ii) mitigation measures to assist the control of risks and nuisances; and
  - (iii) possible benefits of extended liquor trading hours and days on the surrounding community.

(10) The basis and rationale behind all decision-making must be recorded.

Dear Ms Maggott

**APPLICATION IN TERMS OF SECTION 6(3)(a) OF CONTROL OF UNDERTAKINGS THAT SELL LIQUOR TO THE PUBLIC, 2013 FOR ANNUAL RENEWAL OF MONDAY TO SATURDAY EXTENDED OFF CONSUMPTION TRADING FROM 18:00 – 20:00 AND SUNDAY TRADING FROM 11:00 – 18:00 – OK MINIMARK HOUT BAY, CELITA COURT, MAIN ROAD, HOUT BAY**

**AS REQUESTED IN YOUR E-MAIL DATED 9 SEPTEMBER 2019, WE COMMENT ON OBJECTIONS RECEIVED AGAINST THE ABOVE APPLICATION**

**1. Objection "1": E-mail from Anthea Leppington with cryptic subject description**

It is not sure against which part of the application the objection is aimed and applicant cannot identify the objector, Antea Leppington, nor is applicant aware of objector's interest in the matter.

The content of the e-mail simply read "Do not approve". Once again applicant cannot identify what the objector's objection is about and what the objector's interest in the matter is. It is therefore suggested that the "objection" should be ignored.

**2. Objection "2": E-mail from Roberto Quintas to Anthea Leppington and Shireen Maggott**

Once again it is not clear against what the objector is objecting to. The objector is the Councilor for Ward 74, Hout Bay and Llandudno.

2/...

By definition councilors are people elected to represent their local community in the running of their local council and they have an important role in many of the major decisions that affect people's lives.

If standing for election, it is important to understand the varied and important work that councilors do. It is obvious that Councilor Quintas is not aware or do not understand the function of a Ward Councilor. By merely sending an e-mail "I do not support", is definitely not serving the community and more specific the rate payer applying for the extended days and hours of trading.

One would expect the Ward Councilor, (objecting to an application lodged by a ratepayer/"voter"), to have taken more trouble in motivating his objection. Even more so, taking into consideration that this is an application for renewal of an existing approval and that no incident was recorded since approval of this extension for hours and days of business.

As Sub Council is aware, application fee for extension of trading days and hours payable to City of Cape Town is in excess of R11 000.00 (plus VAT). Taking this into consideration, once again, merely sending an e-mail saying "I do not support", is not expected from a person holding office of Ward Councilor.

Applicant sincerely hopes that Sub Council will treat these objections with the contempt it deserves.

Yours faithfully

  
DM HOOZENHOUT
