**Representation with regards to Section 34(1)(e) in support of the application**

Dear Evangeline,  
Thank you for taking the time to study this application.

**Event Description**

The 2019 Mondi Farm Festival is a yearly event held to uplift the local community by giving locals an opportunity to sell their goods and raise funds for the school.

I would like to hereby take the opportunity to submit representations with regards to Section 34(1)(e) that the granting of the application does not prejudice:

- (i) the residents of a residential area because the event is held on a very large privately owned property that has been approved for use and too far away from any residents.
- (ii) the residents of an institution for the aged or frail because the venue is too far away to disturb them. Residents of old age homes also contribute to the event with homemade goods.
- (iii) the learners of an educational institution because the event is held on a Saturday, as not to disturb school proceedings and then funds raised will benefit the school.
- (iv) the patients of an institution for drug or alcohol related dependencies since the venue is too far away to disturb them.
- (v) the congregants of a religious institution located in the vicinity of the proposed licensed premises will not be affected by the event since the event takes place on a Saturday and the venue is too far away to disturb them. Congregates of local churches also contribute to the event with homemade goods.

**Impact of the event on the public:**

The event supports the local community by bringing people to the school who in turn support local shops, restaurants and accommodation facilities. The local community is also welcome at the event and there are local musicians and food vendors, as well as activities for children. The event supports the local community and uses funds raised to support the school.

Preventative measures put in place to prohibit sale and consumption of liquor to minors:

Dear Evangeline,

Thank you for taking the time to study this application.

I would like to hereby take the opportunity to submit what preventative measures have been put in place for the 2019 Mondi Farm Festival to prevent persons under the age of 18 from purchasing and consuming liquor:

- A fence will cordon off the liquor sales area, minors will not be allowed within 3m of the bar, and the entrance and exit will be manned by professional security personnel with clear signposts.
- Strict admission to the sales area will be applied whereby ID's will be checked and entrance denied if ID's cannot be verified or produced.
- A Joint operations taskforce consisting of organizers, bar team, security and all involved roleplayers, has been established for the day and will focus on monitoring minors inside the liquor consumption area to ensure they do not gain access to alcohol by any means.
- No liquor consumption will be allowed outside of the liquor consumption area; the entire area is permanently fenced in and no liquor will be allowed in. Security personnel at gates will ensure this is strictly monitored
- Bartenders have been fully trained to not serve overly intoxicated guests and ask for ID (as a redundant precaution) in case a patron does not look of age.
- Security personnel have been briefed on the issue and appropriate remedial actions put in place.
