

Item: 16 SUB 42/21 19

**Motion of Exigency to Sub Council 16**  
**Request for Progress on Heritage Protection Overlay Zones**  
**06 December 2019**

Noting that:

- Sub Council 16 has the oldest build-up area in the city
- A number of protective overlay zones are already in existence
- Planning has commenced on additional HPOZ, namely Rosebank and Vredehoek
- The city has already started the process on updating the District plans

Sub Council 16 resolves:

- That the Executive Director of environment and Spatial Planning furnish Sub council 16 a progress report on the HPOZ for Rosebank and Vredehoek.
- That the planning commences to implement these zones.
- That the district plans take into account the future HPOZ's
- That the planning department takes into account the future HPOZ's when making decisions on planning applications.
