FAX NO.	N/A
<p style="text-align: center;"><u>ISSUE/TOPIC (1)</u></p> <p>Can the City Officials: Justin Smit and Talcott Present; assist us with road calming and manhole cover lifting along the two main storm-water courses in Fish Hoek with one week's notice?</p> <p>We will try to choose manholes along the pavement rather than in the street where possible and will only be doing four samples of one system on any sampling day – probably consecutive weeks every quarter. The purpose is to find where the E. coli spikes occur in order to narrow the distance the City's camera needs to travel to find the suspected sewage source.</p>
