**4. EXECUTIVE SUMMARY**

The City of Cape Town: Control of Undertakings that Sell Liquor to the Public By-Law, 2013, was promulgated on 17 January and coming into effect on 01 February 2014.

An application for extension of liquor trading hours in terms of Section 6 (1) of the By-law was submitted to the Health Directorate and circulated to the relevant departments for comment. The fully signed application, including all required comments, was submitted to the SubCouncil 16 Manager, and was then circulated to abutting neighbours, all organisations included on the Ward 74 database and ward committee members for comment.

Clause 9 of the By-law requires that the City must, before approving an application for the extension of trading days and hours, reasonably and fairly consider further factors which must include, inter alia-

- (b) where applicable, the validity of a business licence issued in terms of the Businesses Act of 1991 (Act No. 71 of 1991);
  - (c) location category as per the Schedule;
  - (d) previous suspension, amendment or revocation of extended trading days and hours including previous records of complaints investigated and confirmed in respect of the last twelve months preceding a current application for extension;
  - (e) the proximity of the licensed premises to surrounding residential zoned area, cultural, religious and educational facilities;
  - (f) outcome of community consultation and the recommendation of the relevant ward;
  - (g) the potential impact on the surrounding environment;
  - (h) whether it is in the public interest to approve and grant an extension of trading days or hours; or
  - (i) a motivation from the applicant dealing with the impact of –
    - (i) the risks to and nuisances on the surrounding community;
    - (ii) mitigation measures to assist the control of risks and nuisances; and
    - (iii) possible benefits of extended liquor trading hours and days on the surrounding community.
- (10) The basis and rationale behind all decision-making must be recorded.
