7. BACKGROUND/MOTIVATION

The Parow municipal day clinic is located on Erven 7352 and 7354 Parow, but has no on-site secure parking for staff vehicles.

Abutting to the clinic is however a large public parking area that is currently under-utilized. The City Health Department therefore applied for the reservation of a portion of the public parking area in order to create a secure fenced staff parking area.

There were no objections, and the proposal is supported.
