

MOTION FOR AFTER-HOUR (SUNSET) ROAD CLOSURE OF NAUTILUS RD./LUKANNON DRIVE (BAYVIEW) AND WELTEVREDEN RD./LUKANNON DRIVE (ROCKLANDS)

Dumping and Criminal Activity has been on the increase along Lukannon Drive. It is also happening after hours when it's dark and when there is less traffic. The City's Law enforcement and Rangers patrol the area and sometimes catch the perpetrators but because dumping happens irregular and they cannot be there 24/7 it is sometimes impossible to catch them.

Poachers also use this area for their illegal activity at night. Several bodies have been dumped in the vicinity due to it being dark, deserted and easy accessible for criminals at night.

There is less traffic on Lukannon Drive because it is dark and dangerous. In order to deal with the ongoing illegal dumping, the dumping of bodies and criminal activity I propose for the after-hour road closures of:

- Weltevreden Road/Lukannon Drive, Rocklands
- Nautilus Rd./Lukannon Drive, Bayview
