4. EXECUTIVE SUMMARY

The City of Cape Town: Control of Undertakings that Sell Liquor to the Public By-Law, 2013, was promulgated on 17 January and coming into effect on 01 February 2014.

An application for extension of liquor trading hours in terms of Section 6 (1) of the By-law was submitted to the Health Directorate and circulated to the relevant departments for comment. The fully signed application, including all required comments, was submitted to the SubCouncil 16 Manager, and was then circulated to abutting neighbours, all organisations included on the Ward 74 database and ward committee members for comment.

Clause 9 of the By-law requires that the City must, before approving an application for the extension of trading days and hours, reasonably and fairly consider further factors which must include, inter alia-

- (a) the validity of the liquor licence;
- (b) where applicable, the validity of a business licence issued in terms of the Businesses Act of 1991 (Act No. 71 of 1991);

- (c) location category as per the Schedule;
- (d) previous suspension, amendment or revocation of extended trading days and hours including previous records of complaints investigated and confirmed in respect of the last twelve months preceding a current application for extension;
- (e) the proximity of the licensed premises to surrounding residential zoned area, cultural, religious and educational facilities;
- (f) outcome of community consultation and the recommendation of the relevant ward;
- (g) the potential impact on the surrounding environment;
- (h) whether it is in the public interest to approve and grant an extension of trading days or hours; or
- (i) a motivation from the applicant dealing with the impact of –
 - (i) the risks to and nuisances on the surrounding community;
 - (ii) mitigation measures to assist the control of risks and nuisances; and
 - (iii) possible benefits of extended liquor trading hours and days on the surrounding community.

(10) The basis and rationale behind all decision-making must be recorded.

CEO FOREWORD

When you are aware and informed, you make better choices. This is our firm belief at aware.org. We strive to teach the youth about the risks associated with consuming alcohol at a young age and how to make the right choices.

Our Life Orientation book series seek to educate the learner on the risks they will probably face in everyday life; risks associated with low self-esteem, peer pressure and the need to fit in despite the dangers and the real consequences of under-age drinking. More importantly we aim to equip them with tools to enable them to avoid the pitfalls.

It goes without saying that we are deeply concerned that the recent statistics show that the teenagers are introduced or exposed to alcohol at an early age of 15 with some starting at 13 years old (the legal drinking age in South Africa is 18 years old) which leads to risky behaviours. It is also worrisome that it has become socially acceptable and cool to drink illegally and excessively and then evaluate the success of an event based on how intoxicated an individual was.

It is not cool and it is not okay to drink if you're under the legal drinking age of 18 years old.

FACT

South Africa is considered to be a binge drinking country.

As an organisation, we advocate strongly that our children say **NO** to drinking when under the legal drinking age. Our message is clear: our message is unambiguous!

The content found inside our Life Orientation booklets highlights the fact that alcohol abuse and misuse is not a single source problem, but a multi-faceted one and it requires all the role players' involvement - from the teacher to the parents including the children. This learning material will be further supported by continuous dialogues within the school, home and the broader community.

If we are to turn the tide on the high levels of alcohol abuse and underage drinking in our country, we all need to take responsibility, learn from each other, teach and grow. Unity is the key to fighting this social pandemic.

We are excited about this journey that we have embarked upon. It Starts Today with you and me, creating a Better Future for our children!

Yours Sincerely,

Chief Executive Officer
Mrs Ingrid Louw
