Sustainable living, learning and local action

CONSERVATION EDUCATION RESOURCE MATERIALS AVAILABLE IN THE CAPE FLORISTIC REGION

Prepared by Ally Ashwell, ENVIROEDS, Cape Town, 2005 for the C.A.P.E. Conservation Education Program
Updated by Venencia Shonhai, RUEESU, Grahamstown, 2008 for the C.A.P.E. Conservation Education Program

Resource Materials supporting Biodiversity Conservation Education Arranged by Topic

- All resource materials in this list relate to the core focus of the CAPE BCEP project, i.e. Biodiversity Conservation Education in the Cape Floristic Region (including marine, freshwater and terrestrial ecosystems).
- Resources are listed in alphabetical order by title.
- Where possible, information on their availability has been included, e.g. contact details of the organisation from which they may be ordered.
- The Botanical Society of South Africa's bookshop at Kirstenbosch Gardens in Cape Town stocks a large number of environmental resource materials for the Cape Floristic Region. Contact them at (021) 762 1621 or kbranch@botanicalsociety.org.za for a mail order form.
- WESSA – Publications - Sharenet stocks a number of environmental resources materials. Contact them at Wildlife Marketing Services (Pty) Ltd. PO Box 394, Howick, 3290, sharenet@wessa.co.za, Tel: (033) 330 3931, Fax (033) 330 4576
- In order to keep this resource list up to date and to publicise your resource materials and programmes, please send information on your resource materials to: Venencia Shonhai, CAPE Biodiversity Conservation Education Support Project, Environmental Education & Sustainability Unit, Rhodes University, Grahamstown. Tel (046) 603 8390, v.shonhai@yahoo.co.uk

This resource list is divided into the following sections for convenience:

1. Coastal & Marine Ecosystems
2. Freshwater Ecosystems
3. Mountains
4. Lowland Ecosystems
5. Forests
6. General Fynbos
7. Flowering Plants & Vegetation
8. Invertebrates
9. Fish & Amphibians & Reptiles
10. Birds
11. Mammals & Wildlife
12. Biodiversity & Biomes
13. Alien Invasive Species & their Management
14. Fire & Fire Management
15. Pollution
16. Urban Greening
17. Indigenous Medicinal, Food & Economically Important Plants
18. Botanical Gardens, Nature Reserves & National Parks
19. Environmental Education & Activities
20. Databases/Directories
21. Newsletters / Magazines
22. Organisational Websites & Information Resources
23. Conservation Planning and Management
24. Soil Erosion, Land Degradation
25. Environmental Policy, Strategies & Legislation

Title / Brief description	Content focus	Context of use	Main user group(s)	Language (s)	Availability / distribution
1. Coastal & Marine Ecosystems					
CoastCare poster series	Six posters: Filter feeders, Fish fantastic, Food webs, Marine mammals, People & the coast, Shaped for success	Supported by CoastCare fact sheet series file	Teachers & EE providers	E	Marine & Coastal Management: (021) 402 3249
Two oceans, many ecosystems, one nation	How people on the west and east coasts use marine resources	Marine Week poster 2003	Teachers & EE providers	E	Marine & Coastal Management – distributed widely during 2003: (021) 402 3249
Enviro Facts sheets (Coastal & Marine info)	About 60 environmental fact sheets, with some relevant to the CFR	EE research projects	Teachers, learners, EE providers	E	Share-Net: (033) 330 3931, Pick ‘n Pay retail stores
<i>Field guide to the eastern and southern Cape coasts. 2nd edition.</i> Lubke, R & de Moor, I. 1998. UCT Press & WESSA (Eastern Cape).	Field guide to ecology, plants and animals; clear line drawings; maps of coast from Mossel Bay to the Kei River. Covers coastal, marine, estuarine, freshwater & terrestrial ecosystems.	Supports ecological monitoring and research, as well as general interest in these ecosystems.	General public, e.g. tourists, hikers, teachers, EE providers; conservationists, biologists.	E	WESSA bookshops, Botanical Society bookshop

Title / Brief description	Content focus	Context of use	Main user group(s)	Language(s)	Availability / distribution
1. Coastal & Marine Ecosystems					
<i>Two oceans: A guide to the marine life of southern Africa.</i> Branch, G, Griffiths, C, Branch, M & Beckley, L. 1994. David Philip, Cape Town & Johannesburg.	Photographic field guide to the plants, invertebrates and vertebrates of southern Africa's coastline and oceans.	General field guide.	General public, tourists, conservationists, educators	E	Bookstores, Botanical Society bookshop
Coastal zone strategy (City of CT)	Strategy for conserving the coastal zone of the City of Cape Town	Guiding document for City of Cape Town decision makers and staff	City councillors, planners, staff and partner organisations	E	City of Cape Town Environmental Management Department (021) 487 2284; enviro@capetown.gov.za www.capetown.gov.za/environment
National Coastal Monitoring Project: <i>A guide to coastal adoption for teachers</i>	Bin of equipment with supporting booklet to enable monitoring of coastal ecosystems and processes	Community-based coastal monitoring	CoastCare groups, teachers	E, A	CoastCare project, WESSA (021) 701 1397 & DEAT (Marine & Coastal Management): (021) 402 3208

Title / Brief description	Content focus	Context of use	Main user group(s)	Language (s)	Availability / distribution
1. Coastal & Marine Ecosystems					
Centre for Conservation Education worksheets & lesson plans	Variety of learning programmes and materials for GET environmental learning	Support visits to the Education Museum, Tokai Arboretum, Table Mountain, rocky shores, Liesbeeck River	Teachers and learners	E, A	Centre for Conservation Education, Wynberg (021) 762 1622 postmaster@cce.wcape.school.za
National Coastal Monitoring Project: Adopt a Beach	Bin of equipment with supporting documentation to enable monitoring of coastal ecosystems and processes	Community-based coastal monitoring	CoastCare groups	E, A	CoastCare project, WESSA (021) 701 1397 & DEAT (Marine & Coastal Management): (021) 402 3208
City slickers	Amusing story of a pair of African penguins at the Boulders colony, and their interactions with people (53 min video)	Covers the biology and conservation of African penguins in the form of a story.	General public	E	Trevor de Kock, Pelican Pictures, Cape Town pelpic@iafrica.com
Nature's Valley: Responsible marine resource use	Information sheet with tide table on permit requirements, endangered species, etc.	Promote ecologically fishing sensitive practices	Residents and visitors	E	Nature's Valley Trust (044) 531 6820, nvalley@worldonline.co.za

Title /Brief description	<u>Website</u>	Comments
Southern African Foundation for the Conservation of Coastal Birds (SANCCOB)	http://www.sanccob.co.za	Provides news about SANCCOB. Information on seabirds and their rehabilitation; opportunities to volunteer, become a member of SANCCOB, book an educational outing.
State of the Environment (South Africa)	http://www.ngo.grida.no/soesa/nsoer/	National SoE report on the web. Information on Fynbos available at: http://www.ngo.grida.no/soesa/nsoer/Data/vegrsa/fynbinl.htm
Two Oceans Aquarium	http://www.aquarium.co.za	Information on the Aquarium and its programmes, e.g. education programmes for children and adults. Page of links to marine information sources
University of Cape Town	http://www.uct.ac.za/	Information on departments involved in marine & coastal biodiversity research, e.g. Avian Demography Unit, Biodiversity & Evolutionary Biology, Marine Biology Research Institute, <u>Percy FitzPatrick Institute of African Ornithology</u> , Small Mammal Research Unit, South African Bird Ringing Unit, Zoology Department
Western Cape Department of Environmental Affairs & Development Planning	http://www.capegateway.gov.za/eng/yourgovernment/gsc/406	News and information on the responsibilities and projects of the provincial Environmental Affairs department; Foci: Integrated Environmental Management; Planning, Biodiversity Management & Coastal Management; Services provided; Research reports; Relevant legislation
Wildlife & Environment Society of SA (WESSA)	http://www.wildlifesociety.org.za	Information on membership, projects and publications, e.g. African Wildlife and EnviroKids
WWF-SA	http://www.panda.org.za	Information on WWF-SA, its projects and trusts; newsletters and publications.

2. Freshwater Ecosystems & Water					
Enviro Facts sheets (water, rivers, etc)	About 60 environmental fact sheets, with some relevant to the CFR	EE research projects	Teachers, learners, EE providers	E	Share-Net: (033) 330 3931, Pick 'n Pay retail stores R40
Waarom moet ons werk vir water?	Comic-style pamphlet on the need to remove invasive alien plants, in order to enhance water resources	Awareness and understanding	General public, educators and learners	A/E	Distributed by Working for Water programme wfw@dwaf.gov.za ; Tel: 0800 005 376
Wetlands: No wetlands, no water	Information sheet on the value of wetlands globally and in SA	Information for advocacy around wetlands conservation	General public, educators, decision-makers	E	Working for Wetlands www.dwaf.gov.za/wfw
Wetlands: Water, life, culture	Full colour information booklet on the value of wetlands to people	Information to promote understanding of the value of wetlands	General public, educators, conservationists	E	Working for Wetlands www.dwaf.gov.za/wfw Share Net: sharenet@futurenet.co.za DEAT: www.environment.gov.za
<u>Invasive Aquatic Plants</u> , Henderson, L & Cilliers, CJ (Plant Protection Research Institute Handbook No. 16).	Full colour A5 guide to identification & control of 21 invasive aquatic & wetland plant species in South Africa	Alien plant control programmes	Land managers, conservationists, biologists	E, A	Agricultural Research Council, Plant Protection Research Institute: (012) 808 8137; nipblk@plant1.agric.za , www.arc.agric.za

Title / Brief description	Content focus	Context of use	Main user group(s)	Lang(s)	Availability / distribution
2. Freshwater Ecosystems & Water					
<i>Hands-on stream & pond life.</i> Umgeni Valley Project. 1991. Share-Net, Howick	Simple guide to some of the plants and animals commonly found in streams and ponds	Guide to support ecological studies and monitoring of freshwater ecosystems.	Teachers, EE providers	E	Share-Net 033 330 3931 Sharenet@wessa.co.za R15
State-of-rivers report: Diep, Hout Bay, Lourens & Palmiet River systems 2003	CSIR report on the current ecological status of Cape Rivers, with recommendations as to rehabilitation	Status report with recommendations for better river management	Planners, decision-makers, researchers, educators	E	www.csir.co.za/rhp/
Water is life	Booklet of ideas for teaching about water across the curriculum	Activity ideas for teachers and EE providers on water	Teachers, EE providers	E	Distributed by Share-Net (033) 330 3931; R20 per copy
Eco Activities worksheets	Variety of worksheets supporting classroom & fieldwork based lessons (e.g. adaptations, classification, aliens, freshwater systems)	Mainly developed for natural areas in Cape Town, but adaptable to suit the requirements of the class	Teachers & learners	E	Wendy Hitchcock, Eco Activities. Available in support of guided programmes only. (021) 712 3966, Hitchcock@mweb.co.za

Mini-SASS Sheets SET OF 5	Sheet showing categories of freshwater pollution indicator organisms	Support monitoring of the health of freshwater systems	EE providers, Teachers & learners, environmental groups	E	Available from Share-Net (033) 330 3931; R11 for 5 sheets R8
SWAP starter kit	Basic equipment to monitor the quality of freshwater resources	Support monitoring of the health of freshwater systems	EE providers, Teachers & learners, environmental groups	E	Available from Share-Net (033) 330 3931; R20 per kit
Salt River Trail	A4 booklet	A trail for children at the river educating them on rivers, water cycle, etc.	Children	E	Nature's Valley Trust Office
The water cycle					SAPPI

3. Mountains					
Table Mountain National Park information pamphlets	Z-folds on Cape of Good Hope, Silvermine, Boulders, bird list, etc.	Visitor information, maps	General public	E	Available from Table Mountain National Park head office and access points (021) 701 8692
Monty on Table Mountain. Corbett, A. 2003. Cape for Kids, Hout Bay.	Story of a mongoose and its friends on Table Mountain.	Story book or supporting text for visits by young children to Kirstenbosch. Supports Ali Corbett's puppet show company.	Young children, parents, EE providers, educators	E	Self-published: available from Botanical Society bookshop or Ali Corbett.
Table Mountain: A natural history. Pauw, A & Johnson, S. 1999. Fernwood Press, Vlaeberg.	Full colour coffee table publication on Table Mountain's natural history.	Very useful background text with excellent examples of ecology of fynbos and forest.	General public	E	Bookstores, Botanical Society bookshop R265
Cederberg, Clanwilliam & Biedouw Valley. SA Wild flower guide 10. Van Rooyen, G. & Steyn, H. 1999. Botanical Society of SA, Kirstenbosch.	Photographic field guide arranged by plant family.	Very useful field guide.	General public, e.g. tourists, hikers, teachers, EE providers.	E, A	Bookstores, Botanical Society bookshop R160
Hottentots Holland to Hermanus. SA Wild flower guide Southern Overberg. 81997.	Photographic field guide arranged by plant family.	Very useful field guide.	General public, e.g. tourists, hikers, teachers, EE providers.	E, A	Bookstores, Botanical Society bookshop (English out of print) R45

Title / Brief description	Content focus	Context of use	Main user group(s)	Lang(s)	Availability / distribution
3. Mountains					
Mountains in the sea: Table Mountain to Cape Point. Yeld, J & Barker, M. 2004. SANParks, Constantia.	Richly illustrated photographic field guide to the natural and cultural history of Table Mountain National Park.	Very informative field guide.	General public, e.g. tourists, hikers, teachers, EE providers.	E	Bookstores, TMNP; Available from the Park at a special price for educators (R30) (021) 701 8692
Southern Overberg. SA Wild flower guide 8. Mustart, P, Cowling, R & Albertyn, J. 1997. Botanical Society of SA, Kirstenbosch.	Photographic field guide arranged by plant family.	Very useful field guide.	General public, e.g. tourists, hikers, teachers, EE providers.	E	Bookstores, Botanical Society bookshop
Hoerikwaggo: people of the mountain	Relation between people and Table Mountain over the centuries (Video & DVD)	Covers historical and current interactions and issues	General public	E	Contact Table Mountain National Park: (021)701 8692
Table Mountain National Park Hoerikwaggo Trail guide training	Course with supporting materials to train trail guides for a 5-day trail along the Cape Peninsula mountain chain	Trail guide training	Trainee trail guides; TMNP staff	E	TMNP Volunteer coordinator (021) 701 8692
Centre for Conservation Education worksheets & lesson plans	Variety of learning programmes and materials for GET environmental learning	Support visits to the Education Museum, Tokai Arboretum, Table Mountain, rocky shores, Liesbeeck River	Teachers and learners	E, A	Centre for Conservation Education, Wynberg (021) 762 1622 postmaster@cce.wcape.school.za

Title / Brief description	Content focus	Context of use	Main user group(s)	Lang(s)	Availability / distribution
3. Mountains					
Mike Woods Environmental Education Centre worksheets	Learning programmes and worksheets for a number of grades and topics relevant to the Helderberg Nature Reserve	Nature reserve-based school visit programme (e.g. fynbos ecology & uses, freshwater ecology)	Schools	E, A	Mike Woods EE Centre, Helderberg Nature Reserve: (021) 852 8831
Mountain of the sea	Ecology of Table Mountain, including fire and post-fire succession (50 min video)	Covers general fynbos biology & ecology	General public	E	Trevor de Kock, Pelican Pictures, Cape Town pelpic@iafrica.com
Helderberg Nature Reserve: Mike Woods EE resource lists	Well catalogued EE & resource centre, with many books, magazines, posters, pictures, lesson plans & worksheets	Project research (reference & lending sections); outdoor lesson preparation	Teachers, learners, EE providers, general public	E, A	Visitors may copy or borrow materials from the resource centre: (021) 852 8831, mweec@absamail.co.za
Table Mountain National Park	http://www.cnp.co.za/		Introductory information on the Table Mountain National Park		

Title / Brief description	Content focus	Context of use	Main user group(s)	Lang(s)	Availability / distribution
4. Lowland Ecosystems					
Discovering hidden treasures on the Cape Flats	Pamphlets on the location of core flora conservation sites on the Cape Flats, explaining why these are important and how to help conserve them	General awareness raising	General public, educators, EE providers, conservationists	E, A, X	Produced and distributed by City of Cape Town Environmental Management Department (021) 487 2284, enviro@capetown.gov.za
EE programmes on nature areas in Cape Town	Z-fold publicising the nature reserves managed by the City of Cape Town and indicating what EE programmes are available.	Promotion	General public, educators	E	Produced and distributed by City of Cape Town Nature Conservation: (021) 706 2404, enviroedsouth@sybaweb.co.za
Find out about the Cape Flora	Information pamphlet on the Cape Floristic Region	General information sheet	General public	E	Produced by Gold Fields EE Centre, Kirstenbosch (021) 799 8670
Nature's Valley Fynbos Reserve	Information pamphlet on the importance and management of the reserve	Promote understanding of the reserve and its management	Residents and visitors	E	Nature's Valley Trust (044) 531 6820, nvalley@worldonline.co.za

Title / Brief description	Content focus	Context of use	Main user group(s)	Lang (s)	Availability / distribution
4. Lowland Ecosystems					
Field guide to the eastern and southern Cape coasts. 2nd edition. Lubke, R & de Moor, I. 1998. UCT Press & WESSA (Eastern Cape).	Field guide to ecology, plants and animals; clear line drawings; maps of coast from Mossel Bay to the Kei River. Covers coastal, marine, estuarine, freshwater & terrestrial ecosystems.	Supports ecological monitoring and research, as well as general interest in these ecosystems.	General public, e.g. tourists, hikers, teachers, EE providers; conservationists, biologists.	E	WESSA bookshops, Botanical Society bookshop R265
Hands-on fynbos life. Kelly, A. undated. Share-Net, Howick.	Simple guide to some of the plants and animals of fynbos. Line drawings.	Guide to support EE programmes in fynbos.	Teachers, EE providers	E	Share-Net (033) 330 3931 R15
Outeniqua, Tsitsikamma & Eastern Little Karoo. SA Wild flower guide 2. 2nd edition. Moriarty, A. 1997. Botanical Society of SA, Kirstenbosch.	Photographic field guide arranged by plant family.	Very useful field guide.	General public, e.g. tourists, hikers, teachers, EE providers.	E, A	Bookstores, Botanical Society bookshop
SASOL First field guide to fynbos of southern Africa. Manning, J. 2004. Struik, Cape Town.	A6 pocket field guide to the Fynbos; good introduction; selection of plants from various families with photos, descriptions, distributions and general info.	Useful introductory text.	General public, e.g. tourists; teachers.	E, A	Bookstores, Botanical Society bookshop

West coast. SA Wild flower guide 7. Manning, J & Goldblatt, P. 1996. Botanical Society of SA, Kirstenbosch.	Photographic field guide arranged by plant family.	Very useful field guide.	General public, e.g. tourists, hikers, teachers, EE providers.	E, A	Bookstores, Botanical Society bookshop
Plants and Flowers on the Cape Flats: Colouring-in book:	Cape Flats flora: distribution, threats & opportunities	Colouring-in book to raise awareness among younger learners	Teachers & young learners on the Cape Flats	E	www.capetown.gov.za/environment
Cape Flats Nature: Biodiversity for People	Video introducing the Cape Flats Nature project, based at Edith Stephens Wetland Park	Promotional video	General public, potential funders	E	Produced by George Davis, SANBI; Contact Cape Flats Nature: (021) 691 4929

Title / Brief description	Website Address	Comments
CapeNature	http://www.capenature.org.za	Information on CapeNature's reserves and research projects; On-line information brochures on a range of topics, e.g. Tortoises of the Western Cape, blue cranes, lowland fynbos, African black oystercatcher; Envirolinks: extensive links to other environmental web pages.
City of Cape Town	http://www.capetown.gov.za	Information on City of Cape Town's Integrated Metropolitan Environmental Policy (IMEP), sectoral strategies and annual State of the Environment report; Very useful links page providing web addresses for: Animal-, Botanical-, Marine & Environmental Conservation & Management, Government Bodies, Local Agenda 21, Museums, State of the Environment (SoE) Reports, Tourism, etc.
Eastern Cape Province: Dept. of Economic Affairs, Environment & Tourism	http://www.ecprov.gov.za	Information and news about environmental affairs in the Eastern Cape

Title / Brief description	Content focus	Context of use	Main user group(s)	Lang(s)	Availability / distribution
5. Forests					
Discovering indigenous forests at Kirstenbosch. Argent, S & Loedolff, J. 1997. NBI & UCT Press, Cape Town.	One-colour book on the ecology and history of the Afromontane forests at Kirstenbosch.	Background text that is relevant to school users and hikers alike.	General public, teachers, EE providers.	E	Botanical Society bookshop
Forest fun	Booklet of ideas for teaching about forests	Activity ideas for teachers and EE providers on forests	Teachers, EE providers	E	Distributed by Share-Net (033) 330 3931; R20 per copy
Tree checklist	A6 booklet with a list of trees	Provide information on the trees in the forest	Adults and Children	E	Nature's Valley Trust office, SANParks
Life of a tree					SAPPI
Papermaking process					SAPPI
Title / Brief description	Website Address		Comments		
Port Elizabeth Technikon	http://www.petech.ac.za/		Information on departments involved in biodiversity research, e.g. Forestry, Nature Conservation, Agricultural Management, Tourism Management (George campus)

6. General Fynbos					
Guide to the wild flower regions of the Western Cape	Flora'93 poster showing a bird's eye view of the flower areas of the W Cape (looking south) – illustrated with flowers	Tourist information	General public	E, A	Produced by NBI in 1993; Gold Fields Centre has a few copies: (021) 799 8670
Enviro Facts sheets (Fynbos, Indigenous & Alien explained)	About 60 environmental fact sheets, with some relevant to the CFR	EE research projects	Teachers, learners, EE providers	E	Share-Net: (033) 330 3931, Pick 'n Pay retail stores R40
Nature's Valley Fynbos Reserve	Information pamphlet on the importance and management of the reserve	Promote understanding of the reserve and its management	Residents and visitors	E	Nature's Valley Trust (044) 531 6820, nvalley@worldonline.co.za
A fynbos year. McMahon, L & Fraser, M. 1988. David Philip. Cape Town & Johannesburg.	A natural history sketchbook with full colour plates, supported by entertaining text on the natural history of fynbos.	Very useful background text with on fynbos ecology and conservation.	General public	E	Bookstores, Botanical Society bookshop: (021) 762 1621, kbranch@botanicalsociety.org.za
Between two shores: Flora and fauna of the Cape of Good Hope. Fraser, M & McMahon, L. 1994. David Philip. Cape Town & Johannesburg.	The natural and cultural history of the Cape of Good Hope illustrated by natural history paintings.	Very useful background text with specific information on Cape of Good Hope.	General public	E	Bookstores, Botanical Society bookshop

Title / Brief description	Content focus	Context of use	Main user group(s)	Lang(s)	Availability / distribution
6. General Fynbos					
Hands-on fynbos life. Kelly, A. undated. Share-Net, Howick.	Simple guide to some of the plants and animals of fynbos. Line drawings.	Guide to support EE programmes in fynbos.	Teachers, EE providers	E	Share-Net (033) 330 3931 R15
CREW identification guides	Ring-bound identification guides to threatened plants indigenous to study areas	Community-based monitoring of rare and endangered wildflowers	CREW participants	E, A	Custodians of Rare & Endangered Wildflowers groups; CREW office: (021) 799 8751
Veld & Flora	Quarterly magazine of the Botanical Society of South Africa	Popular articles on indigenous botany, horticulture and ecology	Botanical Society members; Plant-loving public	E (A)	Botanical Society of SA Tel: (021) 797 2090 R15
Billy the brenton blue butterfly	A4 booklet	Trail for learners on fynbos	Children	E	NVTrust office FREE
Percy Fitzpatrick 2007 Institute and CAPE	Fynbos i-Forum Version 1.1 on CD (bibliography)				C.A.P.E
Ashwell, A., Sandwith, T., Barnett, M., Parker, A. & Wisani, F. 2006. Fynbos Fynmense: people making biodiversity work.					<i>SANBI Biodiversity Series 4.</i> South African National Biodiversity Institute, Pretoria. (Book)

The Levyns guide to the plant genera of the southwestern Cape. Trinder-Smith, T. 2003. Bolus Herbarium, UCT. Cape Town.	Key and descriptions of all the genera of plants in the southwestern Cape, with numerous annotated line diagrams.	Reference work and key to assist with identification to genus level.	Researchers, students, resource developers, land managers.	E	Bolus Herbarium, UCT; Botanical Society bookshop
Fynbos Fynmense –	brochure				C.A.P.E

Title / Brief description	Content focus	Context of use	Main user group(s)	Lang(s)	Availability / distribution
7. Flowering Plants and Vegetation					
Plant cards	32 plant cards covering all SA biomes; Visual information on one side and written info on the other; PSP teachers' workshop report Grade 4 gives ideas on how to use the cards.	Used in classrooms and outdoor contexts; promotes cooperative learning; supports many aspects of learning, e.g. uses, distribution, adaptations, biomes, ecology of SA plants	Teachers & EE providers appropriate for senior primary level	E –	Primary Science Programme, NBI and Centre for Community Development project, field tested with teachers and learners. Available from PSP (021)691 9039. R100
Ericas of South Africa. Schumann, D, Kirsten, G & Oliver, E. 1992. Fernwood Press, Vlaeberg.	Comprehensive guide to the Erica family in SA; excellent photographs, distribution maps & species descriptions.	Comprehensive reference work on the family Ericaceae	Biologists, conservationists	E	Botanical Society bookshop, Kirstenbosch Can be ordered on request
The Levyns guide to the plant genera of the southwestern Cape. Trinder-Smith, T. 2003. Bolus Herbarium, UCT. Cape Town.	Key and descriptions of all the genera of plants in the southwestern Cape, with numerous annotated line diagrams.	Reference work and key to assist with identification to genus level.	Researchers, students, resource developers, land managers.	E	Bolus Herbarium, UCT; Botanical Society bookshop
The protea family in southern Africa. Paterson-Jones, C. 2000. Struik, Cape Town.	Photographic guide with paragraphs of information on the genera, origins, distribution, ecology and conservation of Proteaceae.	Beautifully illustrated introductory information to the family	General public, educators	E	Bookstores, Botanical Society bookshop

Cederberg, Clanwilliam & Biedouw Valley. SA Wild flower guide 10. Van Rooyen, G. & Steyn, H. 1999. Botanical Society of SA, Kirstenbosch.	Photographic field guide arranged by plant family.	Very useful field guide.	General public, e.g. tourists, hikers, teachers, EE providers.	E, A	Bookstores, Botanical Society bookshop
Ericas of the Cape Peninsula. Oliver, I & Oliver, T. 2000. NBI & Protea Atlas Project, Cape Town.	A6 pocket field guide with line drawings, distribution maps and descriptions.	Pocket guide to identify ericas of the Cape Peninsula in the field.	General public, hikers, conservationists, biologists, EE providers.	E	Botanical Society bookshop
The Levyns guide to the plant genera of the southwestern Cape. Trinder-Smith, T. 2003. Bolus Herbarium, UCT. Cape Town.	Key and descriptions of all the genera of plants in the southwestern Cape, with numerous annotated line diagrams.	Reference work and key to assist with identification to genus level.	Researchers, students, resource developers, land managers.	E	Bolus Herbarium, UCT; Botanical Society bookshop

Title / Brief description	Content focus	Context of use	Main user group(s)	Lang's	Availability / distribution
<i>Soil is Life</i>	Booklet of ideas for teaching about soil across the curriculum	Lesson ideas for teachers and EE providers on soil	Teachers, EE providers	E, A	Distributed by Share-Net (033) 330 3931; R20 per copy
<i>Teaching the topic Plants (PSP)</i>	Variety of classroom activities on plants, e.g. growing plants; reproduction; classification, food.	Curriculum support	Primary Science Teachers	E	Distributed by Western Cape Primary Science Programme PO Box 529 Howard Place 7450; (021) 691 9039 info@psp.org.za www.psp.org.za
<i>The greenhouse effect</i>	Booklet of ideas for teaching about the greenhouse effect across the curriculum	Lesson ideas for teachers and EE providers on the greenhouse effect	Teachers, EE providers	E	Distributed by Share-Net (033) 330 3931; R30 per copy
<i>The organic classroom</i>	Curriculum-related lesson activities for Foundation Phase based on various permaculture-related themes.	Linking the foundation phase classroom to permaculture action projects in the school grounds	Foundation phase teachers; environmental educators	E	Distributed by SEED (021) 447 7686 & Share Net (033) 330 3931
<i>Water is life</i>	Booklet of ideas for teaching about water across the curriculum	Activity ideas for teachers and EE providers on water	Teachers, EE providers	E	Distributed by Share-Net (033) 330 3931; R27 per copy

19. Environmental Education and Activities					
Title / Brief description	Content focus	Context of use	Main user group(s)	Lang's	Availability / distribution
<i>National Coastal Monitoring Project: A guide to coastal adoption for teachers</i>	Bin of equipment with supporting booklet to enable monitoring of coastal ecosystems and processes	Community-based coastal monitoring	Coastcare groups, teachers	E, A	Coastcare project, WESSA (021) 701 1397 & DEAT (Marine & Coastal Management): (021) 402 3208
<i>Centre for Conservation Education worksheets & lesson plans</i>	Variety of learning programmes and materials for GET environmental learning	Support visits to the Education Museum, Tokai Arboretum, Table Mountain, rocky shores, Liesbeeck River	Teachers and learners	E, A	Centre for Conservation Education, Wynberg (021) 762 1622 postmaster@cce.wcape.school.za
<i>City of Cape Town State of the Environment (SoE) schools' workbook</i>	SoE themes, e.g. biodiversity, role of conservation officers	Colouring in book for younger learners (Foundation Phase)	Teachers and young learners in the City of Cape Town	E	www.capetown.gov.za/environment
<i>Eco Activities worksheets</i>	Variety of worksheets supporting classroom & fieldwork based lessons (e.g. adaptations, classification, aliens, freshwater systems)	Mainly developed for natural areas in Cape Town, but adaptable to suit the requirements of the class	Teachers & learners	E	Wendy Hitchcock, Eco Activities. Available in support of guided programmes only. (021) 712 3966, Hitchcock@mweb.co.za

19. Environmental Education and Activities					
<i>Fynbos & our environment: Moehreeg Abader, Habibia Primary</i>	Fynbos ecology lesson plan for Senior Phase, based on C2005; Learners develop a power point presentation based on Internet research on Fynbos	Produced as part of the School Environmental Policy project, 2001	Teachers	E	Ally Ashwell has originals (021) 788 2431; was distributed to WCED Curriculum Department & teachers through Youth Environmental School
<i>Knysna Lakes worksheets</i>	Worksheets on a variety of topics for different grades		Schools	E, A	Lakes Area National Park PO Box 35 Wilderness, 6560 Tel (044) 877 0046, joslynw@sanparks.org
<i>Gold Fields EE Centre, Kirstenbosch (SANBI) worksheets</i>	Variety of learning programmes & learning support materials on botanical garden-based themes, e.g. plants & people; biodiversity walk; travel & tourism	Garden-based school visit programme for learners (all grades)	Teachers & learners	E, A, X	Provided as part of a guided school visit to Kirstenbosch – not available to general public without an appointment (021) 799 8670
Plants and Flowers on the Cape Flats: Colouring-in book:	Cape Flats flora: distribution, threats & opportunities	Colouring-in book to raise awareness among younger learners	Teachers & young learners on the Cape Flats	E	www.capetown.gov.za/environment
Wilderness National Park activity booklet	A5 booklet with I activities relating to the Knysna estuary.	Children's activities, mainly for holiday times.	Children and families.	E	Lakes Area National Park PO Box 35 Wilderness, 6560 Tel (044) 877 0046, joslynw@sanparks.org

19. Environmental Education and Activities					
Title / Brief description	Content focus	Context of use	Main user group(s)	Lang's	Availability / distribution
The BEEP game	Board game using dice & beans that reflects good and bad environmental behaviour	Fun way of showing appropriate and inappropriate behaviour	Children	E, A, X	Developed by the Garden Route Botanical Garden (044) 874 1249
Snakes & Ladders	Home made board game with clues relating to the Knysna estuary and environmental issues	Children's activities	Children and families	A	Lakes Area National Park PO Box 35 Wilderness, 6560 Tel (044) 877 0046, joslynw@sanparks.org
Equipment for measuring weather conditions	Handbook describing weather monitoring equipment and describing how to build low-cost equipment	Enable the measurement of weather conditions	EE providers, Teachers & learners, environmental groups	E	Available from Share-Net (033) 330 3931; R15 per copy
Into Evaluation: A start-up resource	File of guidelines and case studies on monitoring and evaluating environmental education & training projects, programmes & resources	Produced to enable evaluation of EE projects in the City of Cape Town; available to EE partners	EE providers in and beyond the City of Cape Town	E	Available from the education officer, City of Cape Town Environmental Management Department: (021) 487 2839 Lindie.buirski@capetown.gov.za
Mini-SASS Sheets	Sheet showing categories of freshwater pollution indicator organisms	Support monitoring of the health of freshwater systems	EE providers, Teachers & learners, environmental groups	E	Available from Share-Net (033) 330 3931; R11 for 5 sheets

19. Environmental Education and Activities					
Title / Brief description	Content focus	Context of use	Main user group(s)	Lang's	Availability / distribution
National Coastal Monitoring Project: Adopt a Beach	Bin of equipment with supporting documentation to enable monitoring of coastal ecosystems and processes	Community-based coastal monitoring	Coastcare groups	E, A	Coastcare project, WESSA (021) 701 1397 & DEAT (Marine & Coastal Management): (021) 402 3208
SWAP starter kit	Basic equipment to monitor the quality of freshwater resources	Support monitoring of the health of freshwater systems	EE providers, Teachers & learners, environmental groups	E	Available from Share-Net (033) 330 3931; R32 per kit
EE & Training Database for projects, programmes & resource materials in the City of Cape Town	List of City of Cape Town EE&T projects and materials, covering natural, social & built environment	Promote collaboration between environmental projects in the City of Cape Town	General public, environmental providers, schools, etc.	E	Out of date but once updated will be available as a download from www.capetown.gov.za/environment
Environmental Education Friends	Informal network of environmental educators in Cape Town	Networking, sharing information on EE programmes and opportunities	Environmental educators	n/a	e-mail database available from Mary Murphy, Polo and Friends: mary@poloandfriends.org
EE resource Manual	A4 File	A manual on EE with sample lessons, etc. To assist educators with EE for learners	Educators	E	NVTrust office Free

Environmental Education EMDC South Cape / Karoo	List of environmental education providers in the southern Cape and Karoo	Networking, providing support for teachers	Teachers, Environmental educators	E, A	Compiled by Annemarie Gebhardt, Curriculum Advisor: 083 301 3248
Environmental Resource Directory for the City of Cape Town	List of Environmental service providers in the City of Cape Town	Networking, project support, finding advice and resources	General public, environmental providers, schools, etc.	E	www.capetown.gov.za/environment
A journey through time	A4 booklet	Trail for children on shell middens and history	Children	E	NVTrust office, FREE

20. Databases / Directories					
Title / Brief description	Content focus	Context of use	Main user group(s)	Lang's	Availability / distribution
Enviropaedia	Extensive environmental directory and encyclopaedia covering a wide range of topics	Networking & up to date environmental information	General public, educators, businesses, environmentalists	E	David Parry-Davies, Eco-Logic Publishing cc (021) 786 4311
GREEN Directory edition 1 – 2002/2003	List of Environmental service providers in the Garden Route and beyond	Networking	Educators, environmentalists in the Garden Route area	E	Produced by the Garden Route EE Network (GREEN) Forum (044) 874 1558 through SANParks (044) 877 0046
Helderberg Nature Reserve: Mike Woods EE resource lists	Well catalogued EE & resource centre, with many books, magazines, posters, pictures, lesson plans & worksheets	Project research (reference & lending sections); outdoor lesson preparation	Teachers, learners, EE providers, general public	E, A	Visitors may copy or borrow materials from the resource centre: (021) 852 8831, mweec@absamail.co.za
Imithi amayeza	Network & database of people involved in healing with indigenous plants	Networking, learning, sharing information	Healers, botanists, interested public	n/a	Contact Yvette van Wijk, Garden Route Botanical Garden (044) 874 1558, yvwijk@pixie.co.za

Title / Brief description	Content focus	Context of use	Main user group(s)	Lang's	Availability / distribution
20. Databases / Directories					
Mitchell's Plain educators	Electronic database of teachers in Mitchell's Plain schools	Networking, developing school-based environmental programmes	Environmental organisations, teachers	n/a	Contact Theo Manuel, DWAF, (021) 950 7118 manuel@dwaf.gov.za
Share Net address book	Address book of people involved in developing environmental education resource materials in southern Africa	Networking, sharing information, getting assistance	Environmental educators, resource material developers	E	Contact Share Net (033) 330 3931

Share Net resource data base	Resource data base on environmental education resources on action series, water quality resources, enviro-picture building games/puzzles hands-on series beginners guides, EE and OBE resources, indigenous knowledge ,other resources, teachers' guides Zulu-English field guides (short supplements)	Shows all the resources that can be ordered from share net	Environmental educators, resource material developers, schools	E	Wildlife Marketing Services (Pty) Ltd PO Box 394 Howick 3290 sharenet@wessa.co.za Fax (033) 330 4576 Tel: (033) 330 3931
