

FIRE & LIFE SAFETY EDUCATION

1 Week

TARGET POPULATION

For all members of the fire service

OBJECTIVES

It is the organization's responsibility to provide for the training of a fire and life safety educator to a prescribed minimum level prior to the person engaging in those duties

CONTENTS

- ✦ Select instructional materials, given a subject, programme objective, the intended audience and related resources so that the materials are appropriate to the audience and programme objectives
- ✦ Prepare written reports given the appropriate forms or formats so that all elements of the format are addressed in the report
- ✦ Maintain work schedule given a list of events, programme requests, pre-programme requirements and time allotments so that all activities are scheduled and completed without conflict
- ✦ Present prepared programmes given lesson content, time allotments and identified audience, so that programme objectives are met
- ✦ Use multiple presentation methods when presenting prepared programmes given programme objectives, time allotments and a specified audience and time frame so that information reaches the audience within the specified time
- ✦ Notify the public given a scheduled event so that the location, date, time, topic and any sponsoring organization is included
