The following Draft By-Laws and Draft Policies appear on all Subcouncil agendas in June.

All ward forums, civic associations and citizens are encouraged to give input on the following draft policies.

- Draft revised notification policy for land use development and removal of restrictions for development application systems
- Draft land use enforcement policy

Comment on either policy may be made through individual comment or through a ward forum or civic association directly to the planning and building development management department by the closing date, or by means of a submission to a subcouncil for which prior reservation must be made through the relevant subcouncil manager.
