- 2 The draft public participation policy which deals with the passage and methods of consulting the public with respect to draft policies and by-laws
- 3 The proposed urban edge guidelines for the City of Cape Town

The rules of order for sub-councils permit any member of the public to address the sub-council on these or any other matters by prior arrangement with the relevant sub-council manager. In addition, the proposed floodplain management policies of the City of Cape Town will be dealt with on either the October or November agendas of sub-councils. Please contact the relevant manager to ascertain in which month it will be on the agenda. During the month of October, each sub-council will engage in public participation for the Integrated Development Plan (IDP). This will be separately advertised and may form part of the agenda of a sub-council meeting. Documentation may be accessed on [www.capetown.gov.za](http://www.capetown.gov.za) or at any city library.
