

The main objective of this upgrade is to improve safety and capacity by the removal of weaving maneuvers through the introduction of pre-selection lanes in both directions.

1. TRAVELLING FROM THE CITY

1.1 Along De Waal Drive

Approaching Hospital Bend the motorist needs to preselect a lane:

- Left lane goes to the N2 (Cape Town International Airport and Somerset West)
- Right lane goes to the M3 (Muizenberg)

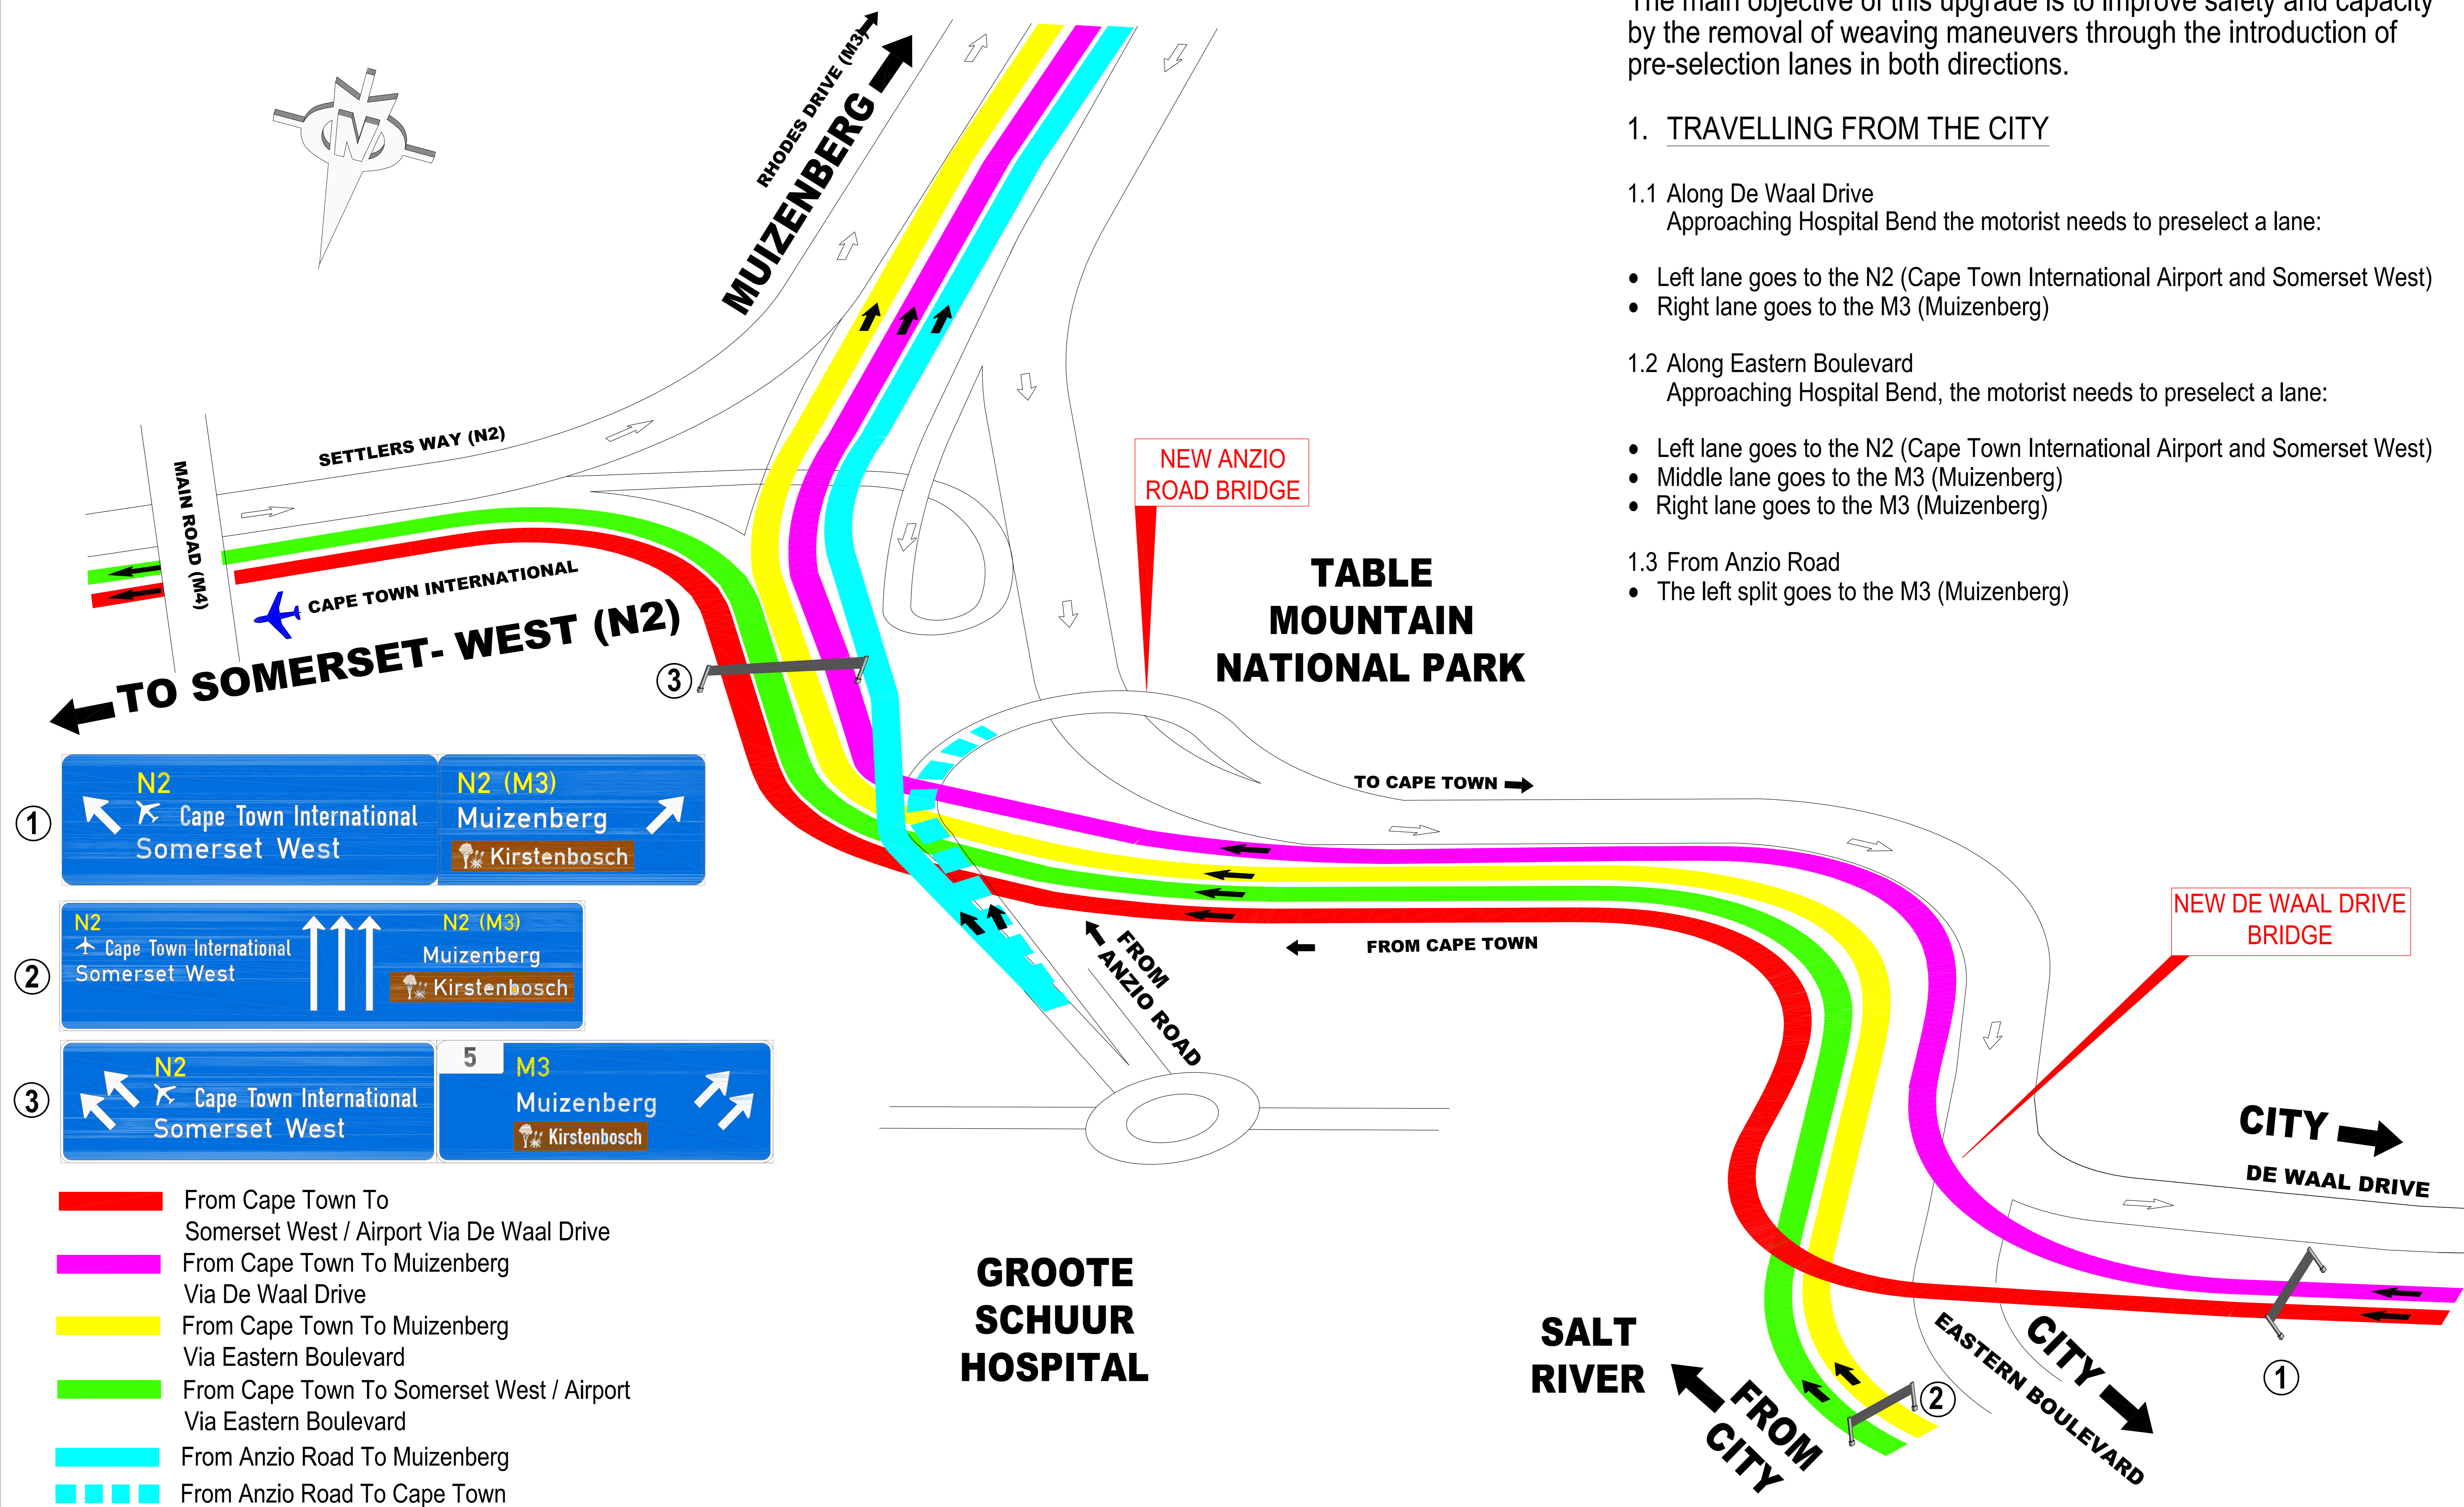

1.2 Along Eastern Boulevard

Approaching Hospital Bend, the motorist needs to preselect a lane:

- Left lane goes to the N2 (Cape Town International Airport and Somerset West)
- Middle lane goes to the M3 (Muizenberg)
- Right lane goes to the M3 (Muizenberg)

1.3 From Anzio Road

- The left split goes to the M3 (Muizenberg)

HOSPITAL BEND : OUTBOUND PRE-SELECTION SCHEME
