

## CAPE TOWN IS EXPERIENCING ITS WORST DROUGHT EVER.

Locals are doing all they can to save water.  
Here's how you can help.

Wash hands less  
frequently and use  
sanitiser instead.

Only flush when  
you really need to.

Take short,  
stop-start  
showers.

Don't leave the  
tap running while  
brushing teeth.
