MOTIVATION REPORT

Introduction

A City Improvement District (CID) refers to a clearly defined geographical area, in which property owners contribute additional rates to fund supplementary municipal services for that specific area as per a community supported Business Plan approved by Council. Council determines an area as a special rating area, which then functions as a CID to improve and upgrade the area for an initial 5-year term. A CID is a community-driven venture, allowing the local community, property owners and local businesses to organize and fund improvements to specific areas within the City of Cape Town. Once established by the City, a non-profit company (the "CID Company"), carries out the improvements and upgrades proposed in its business plan, funded by an additional rate levied on rateable property located within the CID boundaries.

The Oranje-Kloof City Improvement District, referred to as the OKCID, not only has managed to reduce crime and grime, but has been able to facilitate and develop an environment within which property owners have had a notable increase in their property values through having a variety of experiences, covering both commercial and residential, bringing about hundred millions of rands worth in development, allowing one to enjoy these very benefits on their doorstep through establishing a City Improvement District. This all through the many added value components that is provided through the OKCID with the expertise and knowledge to establish the area as a leading world class City.

Following the OKCID initial establishment on the 15 February 2002, GOKCID hereby requests an extension of the 7th term commencing from the period 01 July 2026 to 30 June 2031.

Advantages for the continuation of services:

- Cost of supplementary services are carried out by all property owners in the defined area.
- The CID additional rate is in proportion to the value of the individual property.
- The CID approach is holistic.
- The CID supports business investment.
- The CID enhances the environment and strengthens investor confidence.
- The CID has created a positive identity.
- The CID is a non-profit company, managed by a board of directors with vested interests through property ownership.
- All funds raised through the CID additional rates are spent within the demarcated geographical bound area.
- The CID does not reinforce existing inequities.
- The CID strives to enhance better use of public spaces.
- The CID promotes and aligns within the City's Integrated Development Plan.

Improving Public Safety

Aligned with Objective 5 of the IDP, which focuses on effective law enforcement to make communities safer, the CID has established strong partnerships with all law enforcement agencies. These collaborations allow us to pool resources and implement strategic plans that support a range of public safety programs. Through this integrated approach, we aim to create a secure public environment and reduce criminal activity within our boundaries.

Public safety programs include:

- Increased foot patrols with branded CID uniforms, clearly visible in the CID branding, reflecting, CID logo's, badges and the standard issue equipment (handcuffs, safety gloves, pepper spray and baton) making each public safety officer visible, policing operating 24/7, structured in a 6-day cycle for each of 48 Public Safety Members plus 4 seniors who oversee daily operations.

- Additional support from our one dedicated Law Enforcement Member, who operate five days per week with overtime allocated for special events.
- Collaboration with external partners, including the South African Police Service (Cape Town Central and Sea Point), Metro Police, Traffic Services, Neighbourhood Watches, and private security providers.
- One (1) dedicated branded CID lock-up vehicle overseen by a senior, in a separate vehicle 24/7 providing added supervision in OKCID livery, which consists of CID logo's / Public Safety wording / emergency contact numbers and reflective branding denoting the vehicle as official.
- The CID currently utilizes coordinated observation via 7 License Plate Recognition (LPR) cameras (some with 4-lane coverage), 22 CCTV cameras, and 2 Pan-Tilt-Zoom (PTZ) cameras to assist in successful convictions of perpetrators. As more funding becomes available, this through a joint initiative with property owners / Civic Association, we are hoping to install as many new cameras as the budget will allow.
- Fully identified Public Safety Members, in branded CID uniforms, undertaking patrols on foot, supported by a mobile patrol vehicle and overseen by a senior in a separate vehicle.
- Security Awareness programs and tips through distribution of flyers.
- Facilitate between residents and Law Enforcement agencies.
- Provide property owners with monthly feedback on crime activities through regular attendance at civic association / forum meetings.

Assistance from the City of Cape Town

The OKCID further enhances its public safety initiative through close cooperation with the Safety and Security Directorate of the City of Cape Town to link in with their initiative to support a safer public environment. These services are often made available to CIDs by the City of Cape Town. These officers:

- Can enforce compliance with By-Laws and Policies.
- Have powers of arrest.
- Can Issue appropriate fines for the transgression of City By-laws.
- Enhance safety and security in the OKCID.

Operational security forum

To facilitate an integrated approach, the OKCID will continue to participate in the safety and security forum in association with the appointed security service provider. These actions will include coordination and cooperation with Community and City Participation such as:

- Civic Association and Ward Forums – (CIBRA / DWCA /GPRRA - Ward 77 /115)
- Community Police Forums – (Cape Town Central SAPS - Sectors 2,3, & 5 / Sea Point SAPS, Attend weekly, monthly SAPS meetings.
- Table Mountain Safety Watch – SANParks
- Neighbourhood Watch Associations – (Bo-Kaap, TBK, GPNW)
- Law Enforcement Agencies (SAPS, LEO, Traffic, Metro, Railway Police, Emergency Services)
- CID Forums
- Public participation meetings

- Private Security Companies

The public safety services as planned are in support of the IDP, Enforcement of the City's By-Laws through our very own Law Enforcement Members, issuing compliance notices and having 'Powers of Arrest' covering both non-moving / moving violations thus having effective law enforcement to make communities safer as per City IDP Objective 5. Focus of OKCID is effective law enforcement in making our community safe in having a good partnership with all Law Enforcement Agencies, private security companies and other security stakeholders operating in the OKCID area, thereby directly supporting Objective 6 of IDP which is to strengthen partnerships for safer communities.

The maintenance and cleaning services are provided through a balanced approach that combines an in-house maintenance team with an outsourced cleansing service.

Maintenance

The dedicated team of 2 members, under direction of the operational manager, provides in-house urban maintenance from Monday to Friday, 08h00 to 16h00, and a half-day service on Saturdays. The impact of the maintenance team is strengthened by the support of appointed NGO partners, who operate daily between 08h00 to 18h00, Monday through Saturday.

The OKCID maintenance function includes the following tasks:

- Removal of graffiti and illegal posters.
- Management of illegal dumping.

The OKCID signed a Memorandum of Agreement with the Roads Infrastructure Management (RIM) Department, who are responsible for the management and maintenance of all road infrastructure assets falling under the auspices of the Urban Mobility Directorate. This agreement allows OKCID to provide enhanced maintenance tasks related to road infrastructure.

In the next 5-year term OKCID plans to provide a noticeable transformation of the area through initiatives aimed at enhancing the urban environment. This will be guided by evidence-based, decision-making, proper project preparation, and effective delivery. Planned improvements include more paving of sidewalks, improving street lighting, planting of trees, creating disabled access points, maintaining public open spaces and optimising City facilities.

The Environmental upgrades – landscaping Project budget is shared between Maintenance and Environmental Development and is reflected under the Environmental Development heading.

Cleansing

To maintain a healthy and sustainable environment, the OKCID is committed to ensuring that the area is clean and free from grime to support economic growth. This is achieved through an outsourced cleansing service provider. A dedicated team of 6 cleaners, wearing fully branded CID uniforms with both the CID and the appointed service provider's logos, along with reflective bibs to ensure visibility and professionalism while working in public open spaces. The team provides enhanced and supplementary maintenance and cleansing service 7 days a week, working in shifts from 08h00 to 16h00 (Weekends shift reduced by 2 cleaners on a Sunday) under the supervision of an oversight manager to guarantee uninterrupted service delivery.

In addition to running daily programs that address urban health, biodiversity and partner for quality open spaces with the City and other entities.

The OKCID cleansing function includes the following tasks:

The OKCID supports the functions of the City through the delivery of coordinated supplemental municipal services and communicates with the various line departments which facilitate streamlined communication and service delivery with the City.

The OKCID directly supports Objective 4 in terms of having a well-managed and modernised infrastructure to support economic growth thus establishing specifically objective 4.7 promoting cleanliness and addressing illegal dumping. In addition, the OKCID will work closely with the City of Cape Town regarding urban waste objective 4.5 excellence in waste service delivery programme.

The employee-related costs for the in-house maintenance team are not included in the summary below, as this team also performs environmental development functions. The cost of the proposed maintenance and cleansing service is summarised in the table below.

Environmental Development

Promoting diversity is crucial for developing more inclusive and effective solutions to complex environmental challenges like the climate crisis; by bringing a wider range of perspectives and experiences to the fore, as environmental problems disproportionately affect marginalised communities, and a lack of diversity can hinder effective solutions. Over the next 5-year cycle, upgrading of the spaces between buildings, including the public open spaces, having a comprehensive landscaping program, the CID will look at methods to enhance the environment with having global warming in the background, we must initiate a program of nature revival through a greening program, provide waterwise solutions, additional energy sources to combat the demand on our local infrastructure and look towards a less reliance on motorised transportation thus reducing our carbon footprint.

The OKCID in-house team of 2 will undertake the following tasks:

- Improved landscaping and ongoing tree maintenance.
- Maintaining tree wells.
- Planting new trees.
- Planting of grass.
- Cutting of grass.
- Tree pruning.
- Watering.
- Maintaining Kotze Street Park.
- Beautification and maintenance of public spaces.
- Quality community services program.
- Partnerships for quality public spaces programs.
- As we are not directly involved with recycling, we share the many options for recycling within our

- community.
- Property optimisation program.

The Environmental upgrades – landscaping Project budget is shared between Maintenance and Environmental Development and is reflected here under the Environmental Development heading.

The employee-related costs for the in-house environmental development function are not included in the summary below, as this team also performs urban maintenance functions. The cost of the proposed environmental development service during the five-year term is summarised in the table below.

Financial Impact of the CID

The Expenditure Budget for each year of the Business Plan:

YEAR	TOTAL EXPENDITURE	REVENUE (Funding Source: Additional Rates)	REVENUE (Other Funding Source e.g. Accumulated Surplus / Donations / Sponsorship / Parking etc.)	% INCREASE IN ADDITIONAL RATES REQUIREMENT
1	R 12 191 763	R 11 541 763	R 650 000	9.9 %
2	R 13 080 522	R 12 580 522	R 500 000	9.0 %

4	R 15 173 921	R 14 673 921	R 500 000	8.0 %
5	R 16 347 834	R 15 847 834	R 500 000	8.0 %

In line with the City's CID By-law, the Management Body is required to prepare a proposed annual budget for each successive financial year by the date and in the format required by the City based on the specific needs of the area as set out in the Business Plan. The budget is funded by an additional property rate levied on the municipal valuation of all properties within the CID boundary.

The property rate is calculated by the City annually during the City's budget process. The additional rate is expressed as a Rand-in-the-rand and is calculated by dividing the budget total with the total municipal valuation of properties in the CID.

The impact on individual property owners in the outer years of the CID term may vary due to valuation fluctuations caused by successful valuation objections, subdivisions, new developments, court amendments, implementation of a new General Valuation Roll or Supplementary Valuation roll causing the CID budget to be spread over an increased or reduced total municipal valuation base.

The CID By-law allows for differentiated additional rates between categories of rateable property and as such a residential and non-residential additional rate is applicable in the CID

Property owners who receive a full or partial rates rebate will not pay additional rates.

The budget and additional rates` are approved by Council with the City's budget and is applicable over a financial year, which starts on 1 July.

Individual contributions for residential and non-residential properties can be calculated as follows:

1. Municipal valuation x R 0. XXXXXX = Annual contribution (VAT excl.) – Note: R 0.XXXXXX represents the approved CID additional property rate.
2. Annual contribution (VAT excl.) ÷ 12 = Average monthly contribution (VAT excl.)
3. Average monthly contribution (Vat excl) x 1.15 = Average monthly contribution (VAT incl)

Management Structure

The OKCID is managed by a board of Directors, elected by the members of the OKCID at the preceding years Annual General Meeting (AGM). The Board of Directors consists of property owners within the OKCID and a political representative from the City of Cape Town attending board meetings as an observer. Membership of the Company is available at no additional cost to property owners within the OKCID footprint. The Board manages a Non-Profit company (NPC) which is responsible for the management of the CID, within the framework of the approved business plan and oversees the implementation thereof.

Elected Board members take responsibility for the various portfolios in the company and regular board meetings (once every three months) allow the directors to review current operations and apply corrective measures as required. The OKCID board can call a meeting at any time when additional meetings are required to address important matters.

The Board has appointed service providers with the necessary contracts in place to manage the day-to-day operations within the OKCID. The supplementary and enhanced services provided by the OKCID represent the actual needs of the area according to the vision of the property owners for the area. The services provided are decided upon by the property owners as CIDs are driven by property owners.

The administration and management of the OKCID are outsourced to a Chief Executive Officer (CEO) appointed by the Board. The CEO is responsible for overseeing the day-to-day delivery of the supplementary municipal services and ensuring compliance with all administrative and legal requirements of a CID, as outlined in the CID By-law and Policy, Finance Agreement, Memorandum of Incorporation as well as the Implementation Plan (Part B of the Business Plan).

In conjunction with the CID Board, the CEO assumes strategic and leadership responsibilities, which include:

- Setting the vision and strategy: Defining the company's mission, vision, and values, and create strategic plans to achieve long-term goals.
- High level decision-making: Making major organisational decisions, concluding agreements, and allocating resources such as funding and personnel.
- Leading and inspiring: Guiding the management team, fostering a positive and productive organisational culture, and ensuring alignment with the CID's vision and key objectives.

The CEO further undertakes the following operational activities:

- Oversee operations: Manage the day-to-day operations to ensure efficiency and effectiveness across all departments.
- Monitor performance: Track key performance indicators, analyse financial performance, and adjust as needed to ensure targets are met.
- Manage resources: Oversee the CID budget implementation.

- Prepare Budgets, Business Plans and Implementation Plans.
- Make changes to operational strategy to ensure business plan objectives are met.
- Communicate with the Board: Act as the primary link between the management and the Board of directors, providing updates on finances, strategic decisions and performance.
- Manage stakeholders: Build and maintain strong relationships with stakeholders, property owners, partners, and other key stakeholders.
- Serve as the public face: Represent the company to the public, media, and government entities, and serve as the primary spokesperson.

The OKCID also directly employs an operational manager and a dedicated maintenance / environmental development team of 2 staff members.

An AGM is held every year to review the performance of the CID and to confirm the mandate of the members. The budget and implementation plan for the next year is also presented and discussed for approval at the AGM. The AGM also provides the opportunity to elect new directors to serve on the board of the NPC.

The cost to maintain the staff establishment and continue with the management and administration function for the five-year term is summarised below:

Description	Year 1	Year 2	Year 3	Year 4	Year 5	Total Expenditure
