A. MOTIVATION REPORT

a) *Introduction*

1. **Outlining the nature and function of the CID**

It is proposed that a City Improvement District (CID) be established covering an area in Kenilworth, in the Southern Suburbs of Cape Town, within the City of Cape Town (The City). A CID is a community-driven venture, allowing the local community, property owners and local businesses to organise and fund improvements of specific areas within the City. Once established by the City, a non-profit company (the “CID Company”), carries out the improvements and upgrades proposed in its business plan, funded by an additional rate levied on rateable property located within the CID. In the case of the proposed CID, it is envisaged that both commercial and residential property owners will contribute to the improvements and upgrades.

2. **Name of the City Improvement District:**

Upper Kenilworth Improvement District (UKID).

The name is derived from the fact that the proposed CID area mostly lies in the area known locally as Upper Kenilworth, being part of Kenilworth and Claremont west of the railway line that runs from Cape Town to Simonstown.

3. **The applicant’s name and contact details**

The applicant is the chairperson of the UKID steering committee.

Name: Chris Bertie

Address of Applicant: 13a Mains Avenue, Kenilworth 7708

Email address for delivery of notices: cbertie@acland.co.za and duncan.houston@gmail.com

Steering Committee:	
Chris Bertie (Chairperson)	cbertie@acland.co.za
Peter Golding (Vice-Chairperson)	peter.golding@pamgolding.co.za
Duncan Houston (Secretary)	duncan.houston@gmail.com
Debbie Wall-Smith	debbie@coreproperty.co.za
Rob Kaye	robert@kaytrad.co.za
Simon Jooste	simonjooste@gmail.com
Dana Yerushalmy	dana.yerushalmy@sfpwealth.co.za

4. Geographical area of the proposed CID, including a diagram depicting the street boundaries.

The proposed UKID is situated in the Southern Suburbs of the Cape Peninsula in the suburb of Kenilworth in the City of Cape Town (City). The proposed area for the UKID includes an area of Upper Kenilworth and Claremont on the Table Mountain side of the railway line from Cape Town to Simonstown. The designated area for the proposed UKID is tabled below:

BOUNDARY	ROAD DETAILS
NORTH	Harfield Road (South side)
EAST	Railway line
SOUTH	South Smithers Road and Indian Road (both sides) Aliwal Road (North side)
WEST	Tennant Road (East side) Mains Avenue (South side) Main Road Business Precinct (both sides of Main Road, ending at Myrtle Road on the North West side) Main Road (East side)

5. Strategic Objectives

Vision

A Kenilworth that retains its “village” character, that is safe, clean, “green”, well-maintained, socially responsible, and one that caters and cares for all its inhabitants whether they are property owners or tenants, elderly or homeless, shoppers or office workers.

Mission

To provide the highest standards of public safety, cleanliness, social responsibility and urban management. To optimise the usage and enjoyment of the area by businesses, residents and visitors to Upper Kenilworth. To provide the Kenilworth community and visitors with a pleasant living, working and shopping experience.

Goals and Objectives

Within the context of developing a close and mutually beneficial working relationship with the City, its local Councillors, PRASA and other stakeholders, the broad goals and objectives are:

5.1 improving public safety;

- To reduce crime
- To eliminate harassment
- To uplift the destitute

5.2 maintenance and cleansing;

- To provide enhanced services to the community that will result in a safe, clean, pleasant, attractive and well-managed node thereby improving the learning, living, working and shopping experience in Upper Kenilworth
- To improve the maintenance and upgrading of public spaces

5.3 Urban Management, including but not limited to beautifying and upgrading public areas and facilities;

- To improve the landscaping in public spaces
- To introduce a recycling solution for the neighbourhood

5.4 promoting social and economic development in an environmentally sustainable manner;

- To improve the management of and to find solutions for the homeless people, sex workers and addicts frequenting the streets of Upper Kenilworth. To focus on poverty alleviation, social support and community education

- To encourage new investment in both residential and commercial property
- To protect property values.

6. Core values

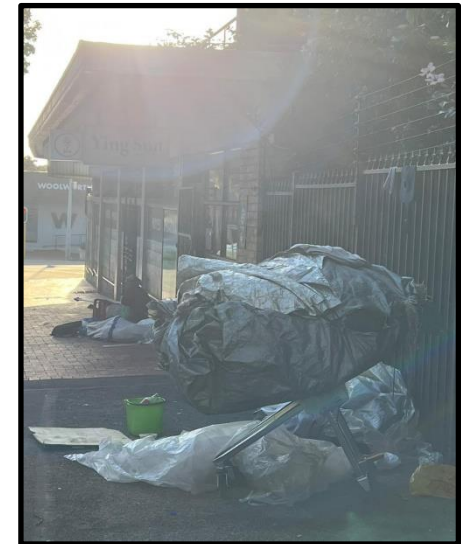

The core values of the CID are transparency, accountability and community participation. To be achieved through:

- Transparent governance and effective communication;
 - Ongoing communication to and with the UKID community
 - The submission of annual reports to the local community
 - The encouragement of local community participation in Board meetings and members' meetings of the CID company
 - The publication of relevant documentation online
- Community support and encouragement for involvement in;
 - Community safety forums and Neighbourhood Watches (NHW)
 - Various community upliftment projects, e.g., greening, recycling, landscaping, public space upgrading
 - Ward forums and civic associations
 - Support of local schools
 - Support of local NGOs and humanitarian organisations.

b) Proposed Services and/or Projects

7. Why Upper Kenilworth needs a CID

The Urban Management Survey (UMS) highlighted significant concerns within the community with regards to Crime, Environment/Urban Management, Cleanliness, and also challenging Social Issues (homelessness, addiction and prostitution). These issues are not being adequately dealt with by the City, and it is felt that a CID will make a significant positive contribution towards addressing the current concerns.

8. Recent feedback from residents

Residents in the defined area being considered for the formation of the CID have tried a number of independent initiatives to deal with public safety, cleanliness and social responsibility, and to interact with the City on subjects such as property development. The initiative to set up a CID means the community will be able to speak with one voice for the greater benefit of all.

There have been a number of public safety related issues that have transpired in the UKID area in the form of muggings, theft out of motor vehicles and household robberies. The responses to the UMS indicated that 92% of those who responded would like to see more proactive public safety measures implemented in the area.

Once established by the City, a non-profit company will carry out the agreed terms of reference approved in the relevant business plan. The improvements, additional services and upgrades referred to in the approved business plan are funded by an additional rate on rateable property located within the defined CID area. In the case of the proposed CID it is envisaged that both commercial and residential property owners will contribute to the improvements, additional services and upgrades that UKID will provide.

9. Brief outline of proposed services and projects

There are four (4) main focus areas.

- a. **Public Safety Initiatives** - the intention is to install a comprehensive CCTV system linked to a tactical response service comprising vehicles and public safety officers.
- b. **Urban Management Initiatives** - the CID will work with the City in order to monitor, record and follow up on community infrastructure maintenance issues that need attention.
- c. **Cleansing & Environmental Initiatives** - the CID management will appoint service providers to provide and supervise the labour needed to supplement the service provided by the City
- d. **Social Intervention Initiatives** - this is a significant and challenging issue within the UKID area, and one that has to be considered with care and sensitivity. The intention is to contract with a social worker and for the CID to closely work with the City and already-established NGOs, mental health outfits, schools and religious institutions in the area in order to develop and implement a sustainable solution for all concerned - the residents, businesses, visitors and the indigent.

i) Public Safety Initiatives

10. Proposed services and projects

There are currently a number of actively monitored cameras in the area which have provided positive results in crime monitoring, these cameras will be donated to the CID by the current service providers who have installed them. The CID proposal makes provision for the installation of a comprehensive CCTV system throughout the neighbourhood by installing 40 additional rented cameras in year 1, taking over 20 cameras currently owned by the KOM (Bisset/Aliwal/Tenant and Mains Avenue residents) an additional 10 cameras in year 2 and year 3 (financed over a 4 and 3 year rental), totalling 80 cameras over the 5 years, linking existing privately owned cameras into the system will be investigated and implemented by the CID manager if possible. Cameras will be monitored 24/7 and linked to a tactical response service. The cameras will be equipped with intelligent software and monitored from a central control room managed by a specialist service provider. The CID will contract with a service provider with a tactical response team. When a problem is identified by the control room the tactical response team, will be mobilised and the operations manager and SAPS advised accordingly. The tactical response team will comprise three manned vehicles dedicated to the area, operating 24/7 (one deployed during the day, and two vehicles at night), each vehicle will be manned by one person. The nature of the call out will determine whether public safety groups in areas edging our suburb will be advised. The CID will in addition to setting up the CCTV system will contract with a security company to employ three public safety officers to patrol the business precinct daily from 06h00 to 20h00, 7 days a week.

11. Areas where improvements will be carried out

The access nodes into the area will be monitored with 5 LPR cameras, which will be the property of the CID, and the 60 additional cameras will be placed where deemed necessary.

12. Total estimated costs

The projected year 1 annualised cost for the public safety support service plus the CCTV cameras will be R2 562 720. The projected annualised year 1 cost of the CCTV monitoring service will be R144 000.

The cost of the proposed public safety support over the initial five year term of the proposed CID will be as summarised below

Year 1	Year 2	Year 3	Year 4	Year 5	Total expenditure over 5 years
2,562,720	2,795,400	3,050,903	3,264,296	3,493,429	15,166,747

13. Allocation of resources

The thrust of the public safety initiative will be to create an environment that criminals feel uncomfortable in. The UKID will provide up to 60 new cameras (plus the incorporation of the current 20 existing active cameras (to be donated by the current service providers as the cameras have been paid for by residents, to be included as a depreciable asset) i.e. a total of 80 cameras) by the end of five years, covering the area uniformly. In addition, there will be 24/7 monitoring of cameras; three dedicated tactical response vehicles will also patrol the area uniformly, also operating 24/7 staffed by qualified public safety officers; and three public safety officers will patrol the business precinct from 06h00 to 20h00 daily. The results of the UMS indicated that 86% of the respondents felt that public safety was average to poor and thus the majority of the CID budget has been allocated to providing improved public safety initiatives.

14. Consistency with municipality's Integrated Development Plan and Municipal Property Rates Act

The proposed improvements and/or upgrades are consistent with the municipality's Integrated Development Plan (IDP) (16 objectives linked to its priorities and foundations) and with section 22(4) of the Local Government: Municipal Property Rates Act, No. 6 of 2004 (the "MPRA"). The proposed services and projects will support the City of Cape Town's IDP, Safety – by enhancing the public safety in the area for the benefit of the community and contributing to Objectives 5 (Effective law enforcement to make communities safer) and 6 (Strengthen partnerships for safer communities).

ii) Cleansing and Environmental Initiatives

15. Proposed services and projects

The CID will appoint a cleansing company who will provide two workers 6 days a week. The cleaners will be required to pick up litter, sweep streets, clean messes (faeces, spillage), in all areas, when green bins are full, they will be required to empty these and report to the supervisor to report to the City. The cleaners will be given cell phone data so they can take photographs and report the location of infrastructure issues, enabling the CID Manager to report faults and problems via C3 (C3 City fault reporting system, where each reported fault is given a reference number and tracked). In addition the cleaners will be requested to check for graffiti etc. report these back to the CID to make good.

The CID will investigate a possible recycling solution for the neighbourhood. There are various NGOs operating in this sphere and we will need to conduct a cost/benefit study.

16. Areas where improvements will be carried out

Additional cleansing in the areas where and on days when the City collects refuse, being Monday in the area to the North of Kenilworth Road and Wednesday in the area to the South of Kenilworth Road. The business node of Kenilworth, the two railway stations Harfield and Kenilworth, as well as Kenilworth Road will be serviced six days a week. Each area will also be cleaned alternatively on Tuesday and Thursday with the following receiving additional cleansing on Fridays: Harfield Road, Kenilworth Road and Main Road including the station precincts and the area outside Voortrekker High School.

17. Total estimated costs

The projected annualised year 1 cost for Cleansing Services will be R264 000.

The cost of the cleansing services to be provided over the initial five year term of the proposed CID will be as summarised below:

Year 1	Year 2	Year 3	Year 4	Year 5	Total expenditure over 5 years
240,000	258,000	277,350	298,151	320,513	1,394,014

18. Allocation of resources

The entire area will benefit uniformly from this allocation of resources.

19. Consistency with municipality's IDP and MPR Act

This additional cleaning fits in with the City's IDP and with section 22(4) of the MPRA in that a small business will be used for this purpose, so it will create employment and give work to an SME. It will also contribute to community satisfaction as the area will be cleaner. This is in line with the Objective 4 of the IDP (Well managed and modernised infrastructure to support economic growth) specifically objective 4.7 promoting cleanliness and addressing illegal dumping. The CID will work closely with the City regarding solid waste objective 4.5 (excellence in waste service delivery programme) and 4.6 (waste minimisation and recycling program).

iii) Urban Management Initiatives

20. Proposed services and projects

The UKID will perform supplemental services such as engaging with the sub-council to create community gardens, community parks and using fenced off areas zoned as transport as well as caring for and improving the wide planted borders. The CID will work closely with the City Service Departments to ensure speedy repairs to roads, pavements and drainage when needed, this will be achieved by reporting any faults via the C3 reporting system. The responsibility for carrying out repairs of this nature is the City's and all that UKID can do here is advise what work needs to be done. Reports on burst water pipes, blocked or damaged

storm water drains, potholes, illegal dumping, fading road markings and broken or missing street signs will be logged with the City's C3 system and the UKID manager will ensure these issues are resolved adequately or escalate within the City. Other initiatives will include logging C3 reports to refresh road markings; repair damaged sign posts; general maintenance (broken window policy); and removing graffiti, stickers and illegal advertising.

21. Areas where improvements will be carried out

There will be ad hoc work carried out in order to improve the existing street landscaping. In addition, there are currently two identified sites which are road reserves. It is our objective to green borders and to endeavour to incorporate de-promulgated road reserves into parks for the community over the long term. We will engage with the sub-council in this regard. The CID will also build a relationship with PRASA regarding the two station precincts (Harfield and Kenilworth) station regarding maintaining PRASA fencing and the land belonging to PRASA, these areas impact negatively on overall perceptions of the cleanliness and safety of the area. 81% of the respondents to the UMS rated the cleanliness of Upper Kenilworth to be very poor to average. The road reserve sites are the corner of Pine and Harfield

Road and on the corner of Thomas and Summerly Roads. The PRASA land is on Harfield Road, abutting the Harfield Station, an area known as Froggie Stream. City of Cape Town property opposite Kenilworth and Harfield Stations will also be given special attention too.

22. Total estimated costs

A complex legal/town planning and a public participation process needs to be undertaken before the identified sites can be used and no cost on the City de-promulgation and PRASA projects has been budgeted for. The year 1 budget of R18 000 provides for gradually improving the existing street landscaping on an equitable/uniform basis.

The cost of the projects and services to be invested in over the initial five year term of the proposed CID will be as summarised below:

Year 1	Year 2	Year 3	Year 4	Year 5	Total expenditure over 5 years
18,000	18,900	19,845	20,837	21,879	102,468

23. Allocation of resources

The UKID area does not have any parks and wherever possible in the UKID area greening (e.g. road verges) will be done as community initiatives (history has shown the willingness of the community to participate in these projects). No amount has been budgeted for these initiatives.

24. Consistency with municipality's IDP and the MPR Act

The proposed services and projects are in line with IDP Objective 1.4 (Targeted urban development program) and 1.5 (Consolidated land pipelines and release programme) as well as Objective 15 (A more spatially integrated and inclusive city) of the City's IDP and Section 22 (4) of the MPRA. In addition, the UKID will create employment opportunities through its commitment to enhance

management of vegetation and the environment contributing to Objective 1 (Increased jobs and investment in the Cape Town economy) and Objective 15 (Building an Integrated and Inclusive City).

iv) Social Intervention Initiatives

25. Proposed services and projects

66% of the respondents to the UMS rated social issues in Upper Kenilworth to be “very poor to average”.

Under the guidance and with the support of the City's Social Development and Early Childhood Development Department, the UKID will contract with a social worker who will establish relationships with key schools, NPOs, businesses, religious institutions, mental health and social welfare organisations operating in the area, in order to create a comprehensive strategy for addressing social issues.

Considerable work has already been done in terms of connecting with organisations (primarily NGOs and schools) who are open to partnering with UKID.

26. Areas where improvements will be carried out

The areas where particular social development is urgently needed is where sex work, drug use and homelessness is prevalent. These areas are Main Road, part of Harfield Road, the station precinct, a stretch of Thomas Road, Summerley Road, Cumnor Avenue and Mains Avenue.

27. Total estimated cost

To provide psycho-social support, to seek alternative accommodation and possible meaningful employment, a social worker will be contracted with on a half day basis in order to:

- a) work with the City on the social issues which impact homeless people on the streets and
- b) create a holistic and comprehensive strategy for the UKID area.

The cost of the social interventions being considered over the initial five-year term of the proposed CID is below:

Year 1	Year 2	Year 3	Year 4	Year 5	Total expenditure over 5 years
180,000	189,000	198,450	208,373	218,791	994,614

28. Allocation of resources

The prevalence of vagrancy, street living, sex work, alcohol and drug abuse is very high in the proposed UKID area, and so facing up to this challenge is important for the UKID. A social worker will be contracted with by the CID who will interact very closely with the City's Social Development & Early Childhood Development Department and relevant NPOs, religious institutions and other organisations. Once the plan has been developed, the focus will be on coordinating social intervention actions aimed at dealing with the negative social impact in our suburb linked to sex workers, loitering and drug dependency. Thus, the main thrust of the social worker's activities will be to develop a holistic strategy focussed on employment, counselling and rehabilitation, as well as reintegration into society and reconnecting families.

29. Consistency with municipality's IDP and the MPR Act

This is in line with the IDP and Section 22 (4) of the MPRA as the community will feel they are being cared for and will be more satisfied. It will also assist to reduce inequities within the community. The UKID will support social upliftment through the creation of counselling, rehabilitation and employment opportunities which is a contribution to Objective 15 (Building a more spatially Integrated and Inclusive

City). To promote the building of integrated communities taking part in public participation programmes and building relationships with other areas and Non-Profit Organisations (NPO's) to contribute to spatial integration, transformation, social inclusion, and well-being.

(c) Financial Impact of the CID

30. Who will fund the CID?

The CID operates via a statutory non-profit company (NPC) funded by additional property rates (which attract VAT) that are paid by property owners to the City monthly. The additional rates are collected by the City on behalf of the CID.

The City pays the CID one-twelfth ($\frac{1}{12}$) of the CID's approved annual budget on a monthly basis and retains 3% of the monthly payment as a provision for bad debts. The NPC will be managed by the CID Manager, supported by the Board, who will have been provided with functional and financial oversight of the CID approved Business Plan.

Membership of the NPC is open to all registered property owners in the CID area and while it is not obligatory, all property owners are encouraged to apply for membership (at no cost) to exercise their rights to influence the business of the CID. The CID is accountable to its members and annually reports on its management and finances at the Annual General Meeting (which all registered property owners are entitled to attend).

31. How much will it cost?

31.1. How the amount of the additional rate is to be calculated:

The following example can be used to calculate what the likely individual additional rate contributions for residential and non-residential properties, based on current municipal valuations of properties owned, could be

- Municipal valuation x R 0.XXXXXXX = Annual contribution (VAT excl.) – Note: R 0.XXXXXXX represents the approved UKID additional property rate.

- Annual contribution (VAT excl.) ÷ 12 = Average monthly contribution (VAT excl.)
- Average monthly contribution (VAT excl.) x 1.15 = Average monthly contribution (VAT incl.)

e.g. R2,900,000 x R 0.000771 = R2,235.90 ÷ 12 = R186.33 x 1.15 = R214.27

31.2. Possible year-on-year increases in the additional rate during the second to fifth years of the CID term;

31.2.1 Given our current understanding of cost increases (staff costs, rentals, electricity, petrol and other operating costs) we have applied a 7,5% increase to public safety costs and a 5% increase to other costs and income for years 2 to 5.

31.2.2 We understand the City will be publishing a new General Valuation Roll in February 2023, the new rates applicable to the roll will be effective 1 July 2023.

31.2.3. Subject to unknown factors such as those highlighted in 31.2.1 above, the Budget has been prepared to comply with the maximum additional rates as provided by the City's SRA (Special Rating Area) Policy in terms of year on year increases in any financial year

d) Proposed Management Structure

32. Incorporation of a non-profit company

Once the Inaugural Board has approval from the City, the Board will register a non-profit company (NPC). The NPC will open a bank account, register the company for PAYE and VAT, and follow the legal steps outlined in the Implementation Plan.

33. Membership and Board of Directors

33.1 Membership of UKID Company is open to eligible ratepayers in the defined area.

33.2 The inaugural Board of Directors (for the first 6 months this will be the Steering Committee - refer point 32 above) will have the portfolios below. Feedback per portfolio will be given at Board Meetings on the implementation of the Business Plan. Board members will be assigned the roles below, for the initial period of 6 months, during which a members meeting will be held to elect the Board of Directors who will hold office until the next AGM. The UKID will only be able to appoint service providers and a UKID manager with effect from the effective date as the UKID will have no funds until money is collected by the city and paid to the UKID for operations. Payments by the City to UKID will be made monthly in arrears.

ROLE	PORTFOLIO
Chairperson / Vice-Chairperson	Oversight role, chair meetings, overall direction. Delegation of specified tasks.
Finance	Maintaining oversight of the accountant, Annual Financial Statements, VAT returns, certificates, financial reports, Annual Budgets, to the Manager and the City. Payment of contractors and staff. Annual tax certificates. Annual returns. Compliance with the Companies Act and legislative framework and King IV principles.
Public Safety Initiatives	Maintain oversight of contracts with the Public Safety Service Provider. Monitoring service and response times. Interaction with the Neighbourhood Watch (NHW), Law Enforcement (LE), Community Police Forum (CPF) and South African Police Services (SAPS). Investigation and recommendation for improving public safety in the area.

Urban Management Initiatives	Oversight of promoting sustainable development projects in the UKID. Biodiversity monitoring and neighbourhood recycling. Communication with City officials regarding planned and emergency repairs and upgrades.
Social Intervention Initiatives	Oversight of establishing relationships with Non-Governmental Organisations (NGO's), businesses, social welfare organisations and schools in the area. Develop strategy for addressing social issues. Coordinate social intervention actions. Focus on poverty alleviation, social support and community education.
Cleansing & Environmental Initiatives	Oversight of monitoring cleanliness of the area. Liaising with City Officials regarding the needs of the area. Monitoring of top up cleaning via a contracted service.
Communication & Marketing	Oversight of Public Relations Communication, Facebook, website maintenance and update content. Maintenance of the WhatsApp groups. Quarterly email newsletters.
Secretary	Oversight of arranging meetings, keeping minutes. Preparation for and arranging the Annual General Meeting. Membership list kept up to date and filing of required documentation.

33.3 The Board will meet quarterly, and the community may attend the meeting for the first 30 minutes thereof, to inform the board of any issues. All property owners paying the additional property rate may become members after applying to the board and completing the necessary documentation. A political representative will be appointed to the Board as an observer by the Executive Mayor. Board members will not receive remuneration

33.4 Financial and Performance Reporting Requirements

Provision has been made in the budget for the engagement of a third-party service provider to provide accounting and tax services to the CID. The services to be provided will primarily be the maintenance of the books of account and the submission of required returns to the Revenue authorities. Monthly management accounts will be prepared by the appointed service provider for presentation to and approval by the directors of the company before being submitted to the City on the due date. Services as stipulated in the Business Plan will be provided by service providers who will be appointed by the Board of Directors. Comprehensive quotes will be obtained for evaluation, score and decision by the Board. Service provider selection decisions will be recorded in the minutes of the director's meetings.

33.5 The CID will employ a CID manager and an administrative assistant to manage the day-to-day affairs of the CID. The services of a social worker will be contracted with on a part time basis to deal with social issues. These three individuals will be housed in office space that the CID will be renting within the UKID area.

e) Permissible Amendments

34. Purpose and scope

The Business Plan and Budget agreed and approved by the members annually may be amended by the City from time to time upon request of the CID company board provided that such amendment is presented to the AGM for approval. If the amendment proposed is substantial the CID will be required to go through the same formal support process as with the CID establishment process.

35. Provisions which may be amended

In order to amend the geographical boundaries, the CID will be required to go through the same formal support process as with the CID establishment process.
