

HAVE YOUR SAY! CLOSURE OF KLIPFONTEIN SERVICE ROAD BETWEEN THORNTON ROAD AND EAGLE ROAD, AND CLOSURE OF EAST STREET, BETWEEN KLIPFONTEIN SERVICE ROAD AND SOUTH AVENUE, ATHLONE

The City of Cape Town's Urban Mobility Directorate proposes the permanent closure of Klipfontein Service Road between Thornton Road and Eagle Road, and the permanent closure of East Street between Klipfontein Service Road and South Avenue, Athlone to improve road safety and traffic flow in the area.

It has been observed that vehicles passing through the area persistently enter via Klipfontein Service Road at the intersection of Thornton Road, Klipfontein Service Road, and North Link Road. This results in vehicles stopping in the designated "Keep Clear" zone, blocking the intersection, and restricting access from Klipfontein Road, which lead to disruptions in traffic flow.

This permanent closure will discourage traffic from using residential areas to bypass main routes and will reduce the congestion at the intersection of Klipfontein Service Road, Thornton Road and North Link Road. In addition, the permanent closure of East Street will discourage traffic from bypassing the main route via South Avenue.

Traffic analysis and observations support the closures, but a public participation process needs to be followed to support the closures.

Proposed road closure of Klipfontein Service Road between Thornton Road, Eagle Road; and East Street between Klipfontein Service Road and South Avenue in Athlone

The public and interested parties or groups are given the opportunity to submit comments, recommendations or input on this proposal to the municipality from 3 July to 3 August 2026. Furthermore, a public information day/open day will take place on Wednesday 22 July 2026 between 15:00 and 19:00 at the Gleemoor Baptist Church Hall, 38 St Simon's Road, Sunnyside, Athlone.

Comments, recommendations or inputs can be submitted by:

Online: Scan the QR code to submit your comments digitally or visit www.capetown.gov.za/haveyoursay.
