Reading After Test / Lesing na toets	

Kwitansie / Receipt no: #	Toets Fooi / Test Fee: R
---------------------------	--------------------------

Voorwaardes van toets / Conditions of test:

- Indien die meter getoets word en in order gevind word, verbeur ek die fooi
If the meter is found to be correct upon testing, I forfeit the fee
- Die meter sal as korrek beskou word as dit aan die +/- 2,5% regulasie standard voldoen
The device shall be deemed correct; if the device is found to be within the +/- 2, 5% regulation
- Indien die meter foutief is, sal Stad Kaapstad die fooi terugbetaal, nuwe meter installeer en lopende rekening aanpas.
If the meter is deemed as faulty, the City of Cape Town will refund the fee, install a new device and adjust my current account accordingly.
