ROAD SAFETY TIPS FOR THE FESTIVE SEASON

- Do not drink and drive
- Drive safely
- Stay within the speed limit at all times
- Only overtake when it is absolutely safe
- Always wear your seat belt and see that everyone in the vehicle is wearing theirs
- Avoid distractions on the road such as texting and talking on cellphones
- Be visible – drive with your lights on between sunset and sunrise or when the visibility is poor such as in foggy and rainy conditions
- Headlights should be dimmed well before an approaching vehicle is within range
- Rest before embarking on your journey.
- Take safety breaks every two hours or 200 km
- Recognise potentially dangerous drivers and pedestrians at the side of the road and keep clear of them
- Walk safely, use pedestrian crossings, and wear reflective clothing in poor light conditions
- Maintain a following distance of at least two seconds and increase distance at night, in foggy or rainy conditions and when the road is wet
- Do not overload your vehicle
- Be courteous towards fellow road-users and manage your temper and resist the temptation to retaliate
- Ensure that your vehicle is in a roadworthy condition. Check lights, indicators, tyres, windscreen, windscreen wipers, brakes, steering system, shock absorbers and exhaust and make sure that your vehicle has enough fuel at all times
- Know emergency numbers for when you need assistance

PADVEILIGHEIDSWENKE VIR DIE FEESSEISOEN
