

MOETS EN MOENIES HIERDIE FEESSISOEN YASEHLOTYENI

- Die feesseisoen kom nader en bring 'n toeloop van vakansiegangers en toeriste mee. Ten einde bewustheid van openbare veiligheid en misdaad te bevorder het ons die volgende veiligheidswenke oor voertuigkapings saamgestel.

MOETS

- Hou altyd die voertuigdeure gesluit
- Hou vensters toe of verseker dat die opening nooit groot genoeg is vir 'n hand om deur te pas nie
- Die volgfstand tussen jou en die motor voor jou moet groot genoeg wees om te voorkom dat jy vasgekeer kan word
- Trek ander motoriste of voetgangers se aandag as jy vermoed dat jy in gevaar is. Gebruik jou toeter, flits jou ligte, skakel jou noodligte aan of skree om hulp
- Wees op die uitkyk vir enigiemand wat jou voertuig nader of wat by verkeersligte, stopstrate, parkeergebiede of jou oprit rondstaan
- Wees bewus van die voertuie agter, voor en langs jou. As jy vermoed dat jy agtervolg word, ry na die naaste polisiestasie, moenie huis toe gaan nie
- Ry vinnig weg van 'n stopstraat of kruising indien 'n verdagte persoon jou motor nader, veral ná donker of in afgeleë gebiede. Maak wel seker om bedag te wees op enige verkeersgevaar
- Oornag slegs by veilige plekke indien jy ver moet reis, dis nie veilig om langs die pad te stop nie
- Rapporteer enige verdagte persone en voertuie aan die polisie

MOENIES

- Moenie by 'n ongelukstoneel stop nie, tensy jy oortuig is dit is eg
- Moenie jou motorhuis of 'n parkeerarea binnegaan as jy vermoed jy word agtervolg nie

- Moenie stop wanneer 'n verbyganger vir jou wys dat jou motor 'n pap band of ander fout het nie
- Ry na die naaste diensstasie of veilige plek om jou motor te inspekteer
- Moenie aan vreemdelinge jou reisplanne verklap nie
- Moenie rylopers of vreemdelinge oplaai nie
- Moenie jou motor aangeskakel laat met 'n oop deur terwyl jy jou motorhuisdeur of hekke oopsluit nie
- Moenie toelaat dat jou aandag afgetrek word deur mense wat pamflette by kruisings uitdeel nie en moenie items, soos blomme of koerante, by onbekende verkopers koop nie

DO'S AND DON'TS THIS FESTIVE SEASON

The festive season is fast approaching bringing an influx of holidaymakers and tourists. In order to promote public safety and crime awareness we have compiled these safety hints about vehicle hijackings.

DO'S

- Always travel with the car door locked
- Keep all windows closed or, at most, not open more than would allow a hand to fit through
- Leave enough room between your car and the one in front to avoid being boxed in
- Attract the attention of other motorists or pedestrians if you think you are in danger. You can use the hooter, flash your lights, put your emergency lights on or shout
- Be aware of anyone approaching your vehicle or who is loitering near traffic lights, stop streets, parking areas or your driveway
- Constantly monitor what vehicles are travelling behind, ahead and next to you. If you suspect that you are being followed, drive to the nearest police station, do not go home
- If approached by a suspicious-looking person, especially at night or in lonely areas, drive off quickly from a stop street or intersection, always heeding traffic danger
- On long trips only stop overnight at safe places, parking next to the road is not safe
- Report any suspicious-looking strangers and vehicles to the police

DON'TS

- Don't stop at the scene of an accident unless you are convinced it is genuine
- Don't enter your garage or a parking area if you believe you are being followed
- Don't stop if a passer-by indicates that your car has a flat tyre or other defect

- Drive to the nearest service station or safe place and check it there
- Don't tell strangers of your movements or plans
- Don't pick up hitchhikers or unknown passengers
- Don't leave your car door open and the engine running while opening your garage door or gates
- Don't be distracted by people handing out flyers at intersections or buy items, such as flowers and newspapers, from unfamiliar vendors
