

# RECYCLERS

## Connect to Cape Town's waste recyclers' map

Online visibility for Cape Town's accredited recyclers

### WHAT IS CAPE TOWN'S WASTE RECYCLERS' MAP?

A free Cape Town website map allowing residents:

- To check whether the City's kerbside recycling programme, Think Twice, is offered in their area and find the contact details of the relevant service provider.
- To search for accredited private recycling service providers in their suburb, including recycling drop-offs, buy-back centres or collectors and find their contact details.

### HOW TO REGISTER TO BE ON THE MAP

- Request an application form by emailing [re.cycling@capetown.gov.za](mailto:re.cycling@capetown.gov.za).
- Access the application form by using the following link provided [www.capetown.gov.za/RecyclingForm](http://www.capetown.gov.za/RecyclingForm). Complete the form and do not forget to click the submit button.
- If you are a City-accredited waste service provider, include your reference number.

### BENEFITS FOR YOU

- Your business will be exposed to visitors to the City's website looking for recycling solutions in the suburbs where you operate.
- Such visitors will be looking for either buy-back centres, drop-off centres or recycling collectors, thus providing you with business exposure opportunities.
- This service is offered free of charge to accredited recycling service providers.
