CALL FOR EARLY CHILDHOOD DEVELOPMENT (ECD) OPERATORS TO SUBMIT APPLICATIONS FOR RATES REBATES

The City of Cape Town invites operators of ECDs within its boundaries to apply for a rates rebate.

The City's ECD Policy is aligned to the OneCape2040's vision of knowledge transition, advocating that every person will have access to a good education that will ensure that he or she is appropriately skilled to make use of opportunities. The City also supports the most vulnerable through greater access to infrastructure and social services. This is achieved by focusing on ECD services.

The following criteria must be adhered to when submitting the application:

- Copies of zoning, environmental health and fire safety clearance certificates
- Registered as NPO with the Department of Social Development
- South African Revenue Service clearance certificate
- Registered as a partial care (ECD Centre) with the Provincial Department of Social Development
- Constitution of the organisation
- Certified copy of the applicant's South African identity document
- Management structure of the NPO and the latest minutes of the management committee meeting
- Audited annual financial statement
- Copy of the latest municipal account (account must be up to date)
- ECD daily learning programme
- Number and age categories of children attending the partial care (ECD centre)

Official application forms are available at the Social Development and Early Childhood Development Directorate's reception desk, 7th Floor, Telkom Towers, Standard Bank Centre, 4 Heerengracht, Cape Town.

The closing date for submission of application forms is 16:00 on Friday 20 November 2015.

Contact Andile Wotshela on 021 417 4088 (during office hours) or e-mail andile.wotshela@capetown.gov.za for further information.
