**QUESTION TO THE EXECUTIVE MAYOR IN TERMS OF RULE 22 OF THE RULES OF ORDER:**

**COUNCIL MEETING: 08 DECEMBER 2022**

Mr Mayor

Delft has experienced new emergence of Informal Settlement at ACSA and SANRAL land in Ward 24 as a result of Covid-19.

As the new councillor in the Ward I have been approached by the residents in these areas as to what is going to happen in terms of service delivery, they need recognition status.

Am currently numerating them so that I could know the population of them.

There are two sections that are occupied by these illegal occupants, which is Symphony Way that belongs to ACSA.

The 2nd section is a land belonging to City of Cape Town closer to SANRAL (R300). Eskom is also affected by these illegal occupants that causes the transformers to catch fire and there is a lot of cable theft.

Today these Informal settlements are more than Two Years Old with approximately plus/minus 3500 together.

1. Has City attempted to enumerate these Informal Settlements in order to understand the cost of service required?
2. What is the City's plan to mitigate illegal connections in these areas.

**VRAAG AAN DIE UITVOERENDE BURGEMEESTER INGEVOLGE REËL 22 VAN DIE ORDEREËLS:**

**RAADSVERGADERING: 8 DESEMBER 2022**

Meneer die burgemeester

Weens covid-19 het Delft 'n nuwe opbloei van informele nedersettings op ACSA- en SANRAL-grond in Wyk 24 ervaar.

Die inwoners in hierdie gebiede het my as die nuwe raadslid in die wyk genader oor wat gaan gebeur wat dienslewering betref, en benodig erkenningstatus.

Ek is tans besig om hulle te tel sodat ek weet wat die bevolkingyfer is.

Twee gedeeltes word deur hierdie onwettige bewoners beset, naamlik Symphonyweg wat aan ACSA behoort.

Die tweede gedeelte is grond wat aan die Stad Kaapstad behoort en nader aan SANRAL (R300) is. Eskom word ook geraak deur hierdie onwettige bewoners wat veroorsaak dat die transformators aan die brand slaan, en daar is ook baie kabeldiefstal.

Hierdie informele nedersettings is vandag ouer as twee jaar, en daar is altesaam ongeveer 3 500 (mense).

1. Het die Stad 'n poging aangewend om hierdie informele nedersettings te nommer om die koste van die diens benodig, te begryp
2. Wat is die Stad se plan om die impak van onwettige aansluitings in hierdie gebied te verminder?

Mnumzana uSodolophu

Ngenxa yeCovid-19, eDelft kuye kwaqaliswa ukwakhiwa kwamatyotyombe kumhlaba weACSA kunye noweSANRAL kwiwadi 24.

Abahlali kwezi ndawo baye bathetha nam njengoceba omtsha kule wadi malunga nokuzakwenzeka ngokuhanjiswa kweenkonzo, bafuna kuqwalaselwe imeko yabo.

Ngoku ndiyababala ukuze ndazi inani labo.

Kukho amacandelo amabini ahlala aba bahlali bangekho mthethweni, eyiSymphony Way ephantsi kweACSA.

Icandelo lesibini ngumhlaba weSixeko saseKapa kufutshane neSANRAL (R300). U-Eskom ukwachatshazelwa ngaba bahlali bangene ngokungekho semthethweni nto leyo ebangela ukuba ukutsha kweetransfoma nokubiwa okuninzi kweentambo zombane.

Namhlanje la matyotyombe angaphezulu kweminyaka emibini ubudala kwaye amalunga nama3500 xa ewonke.

1. Ingaba iSixeko sizenzile iinzame zokufaka iinombolo kula matyotyombe ukuze sazi iindleko zeenkonzo ezifunekayo?
2. Sithini isicwangciso seSixeko sokunciphisa uthungelwano lwentambo zombane olungekho mthethweni kwezi ndawo?
