## 7. DISCUSSION/CONTENTS

### 7.1. Constitutional and Policy Implications

The second renewal of the Green Point City Improvement District term was approved by Council on 27 March 2008 (Item C 57/03/08).

The Green Point City Improvement District has made an application in terms of Section 15 of the SRA By-Law, to extend the Implementation Plan for another five years (1 July 2011 to 30 June 2016), as per Annexure A.

The application, for extending the Implementation Plan of Green Point City Improvement District, was advertised in the official newspapers and sent to the members of the CID, calling for comments/objections, as per Annexure B.

**No objection letters were received.**

The Green Point City Improvement District did not introduce any new services in the Motivation Report. The Implementation Plan proposed relevant action steps to implement the services with a year on year increase in the budget of 7%. This term increase is 7% when comparing the existing term with the proposed new budget.

The proposed Business Plan was also approved at the Green Point City Improvement District AGM. Council could justify approving the renewal application in terms of Section 15 (a) and (b) of the SRA By-Law.

As the application complies with the SRA By-Law requirements and the property owners were consulted, Council may approve the extension of the Implementation Plan dated October 2010 for the Green Point City Improvement District as from 1 July 2011 to 30 June 2016.
