**Background:**

In November 2020 we had an Imbizo in the Area of Los Angeles and one of the outcomes of the Imbizo was there are children who do not have birth certificates and some of them are supposed to be at school but cannot register without a birth certificate

**Date** : 11 February 2021

**Process of assisting them**

We approached Bellville Home Affairs to assist with the late registration of the children

I took four mothers to Home Affairs Department, two received birth certificates and the other 2 were referred to the hospitals where they delivered their children to get a letter of discharge. The two parents gave birth at the Eastern Cape and it will be costly for them to go back and home and therefore they could not be assisted.

Mothers had to bring their children along for finger prints

**Attachment**

Attendance and copies of Birth Certificates

**Attendance Register**

- X 2 Copies of Certificate of Children that had received Late Registration
