5. MOTION OF EXIGENCY: INVESTIGATE THE DEMOLISHMENT OF THE CUBICLES AT THE BELLVILLE PTI - BY CLLR M KLEINSMITH

Ms Jansen reported that Mr Tony Le Fleur advised on 16 May 2022 AED handed out letters for the eviction of the cubicles to the traders and all goods had to be removed by 18 June 2022. The Manager informed the meeting that she received an email from the Director of Enterprise and Investment department regarding the stay of action against the traders making use of the cubicles and the department would like to maximise the trading opportunities. The department is of the view that the Subcouncil must rethink how to deal with Economic Infrastructure that is used by the traders.

Mr Lance Greyling explained that he did a site visit 3 weeks ago to the Bellville PTI. He fully understands that there is lawlessness taking place. The purpose of his department is to look at the rights of the City but also of the Informal Traders. The problem that the department encountered is that there are 9 informal traders that is renting the cubicles. It's going to have a detrimental effect when the City demolish the cubicles. The department received a letter from Informal Trading Association stating that they going to take legal action against the City. Mr Greyling said the situation cannot remain the same and the status quo is unacceptable and the department wants to look at a plan to address these issues. He explained that the department does not have Law Enforcement to deal with the issues at the Bellville PTI. He also discovered that some of Economic Infrastructure that is resorting under the incorrect department, eg the kiosks should not fall with Transport. Mr Greyling said he is engaging with the Transport Department to transfer the infrastructure to Economic Development.

Cllr M Kleinsmith said she does not want to stand off on the motion. The first cubicle is selling spares and the third cubicle there is prostitute activities. There are extensive problems at the cubicles and with illegal traders that is trading in front of the cubicles. The councillor requested Mr Mchunu to enquire who the traders are paying to for use of the cubicles and who are they. Cllr Kleinsmith recommends that we continue with the demolishing and make space for more trading bays.

Ms Jansen said whenever the Subcouncil had a site visits to the cubicles, nobody informed the Subcouncil or Councillors of 9 legal traders paying for the use of the cubicles.

Mr D Theron said the cubicles is not conducive for storage facilities. There are illegal activities taking place and the people sleeping in the cubicles. Mr Theron recommended the demolishing of the cubicles.

Ms Mchunu said there are 9 legal traders that is paying for the storage facilities.

The chairperson recommended that the demolishing continues and that a meeting be arranged with Mr Lance Greyling and Mr Mchunu to discuss the future plans of the Bellville Informal Traders.
