

MOTION TO CLOSE OPENING SPACES/GAPS IN COLORADO PARK, MITCHELLS PLAIN

Colorado Park is a well establish community within Ward 75 Mitchells Plain, the boundaries being Weltevreden Parkway, Eisleben Road, Highlands Drive and the R300. With the ongoing crime, house break-ins and the thoroughfare of unwanted pedestrian entering and exiting the area, the community is proposing that all open gaps be closed for the safety of the residents.

The present statistics of armed robberies, drive way hijackings, burglaries have escalated and the only solution in keeping the area safe will be to close all openings/gaps in Colorado Park.

I therefore move that all possibilities be investigated and this proposal be approved as per the request of the residents.

Moved by: Cllr Joan Woodman

Seconded by: Cllr: Elton Jansen
