The Chairperson addressed the meeting as follows:

Good morning sub-council Manager Raquel Harrison and Mrs Stevens and All ward committee members.

Welcome to our ward committee meeting for November 2020.

Today is our last ward com meeting for 2020 and I just want to thank you all for your hard work and dedication during the past year. I know it was not easy we went through a Covid Pandemic which affected us all and thousands of people lost their lives, however we must still be careful and remain wearing mask and washing of hands.

Many other countries are now in second wave of corona virus and we surely don't want to go back to levels where we have to close businesses, schools etc. Our economy will not be able to survive it.

Many people have lost their jobs and unemployment has risen. Therefore, my fellow ward com members we have to spread the word to as many people as we can to keep on sanitizing and cleaning of hands.

It's with a sad note that I had to hear how both mother and father is responsible for abusing and murdering of their eight, month old child. Many children are being abused, raped, sexually assaulted by family, friends and people that they know. So please keep on spreading the word, that this is unacceptable and they need to speak out and name and shame.

I just want to take this opportunity to wish you all a Merry Xmas and Happy New Year.

Keep safe and God Bless.

Thank you!
