ANNEXURE B – Form 3

The Western Cape Liquor Act was approved after widespread public participation and it is submitted that it reflects the will of the people of the Western Cape.

The Western Cape Act provides for licence holders with off-consumption liquor licenses to sell liquor on Sunday (in areas where the municipality had not promulgated a bylaw regulating liquor trading days and hours).

It is submitted that the Control of Undertakings that Sell Liquor to the Public Bylaw of the City of Cape Town reflects the will of the citizens of Cape Town.

The Bylaw provides for licence holders with off-consumption liquor licenses to apply for Sunday trading.

Due to their working hours (also on weekends) and other commitments a significant percentage of the applicant's customers find it very difficult to purchase liquor weekdays and Saturdays.

Many of the Applicant's customers nowadays also choose to do their shopping on Sunday when they are not involved in the school activities of their children or their own sporting or social activities.

An amendment of the trading hours for the Applicant's store to include Sunday trading will allow them to purchase liquor with other products.

THE PROXIMITY OF LICENSED PREMISES TO SURROUNDING RESIDENTIAL ZONED AREA, CULTURE, RELIGIOUS AND EDUCATIONAL FACILITIES

The manner in which the business is carried on under the current trading hours does not prejudice the residents of a residential area or the proceedings in cultural, religious or educational facilities and it is submitted that there is no reason why Sunday trading will change this situation.

THE POTENTIAL IMPACT ON THE SURROUNDING ENVIRONMENT

The current activities of the applicant do not have any negative impact on the surrounding environment and it is submitted there is no reason why Sunday trading will change this situation.

THE RISKS TO AND NUISANCES ON THE SURROUNDING COMMUNITY

The current activities of the applicant do not pose a risk or nuisance to the surrounding community and it is submitted there is no reason why Sunday trading will change this situation.

MITIGATION MEASURES TO ASSIST THE CONTROL OF RISKS AND NUISANCES

The applicant submits that its current activities do not cause risk or nuisance to the surrounding community.

No mitigation measures are therefore required.

However, should the applicant become aware of any risk or nuisance in future it will implement suitable measures to mitigate the risk or nuisance.

PUBLIC INTEREST

The proposed amendment to include Sunday trading will improve the shopping experience of the public by allowing customers time to purchase liquor on Sunday should this be the most convenient day for them.
