3. PURPOSE

To take note of the requests received for traffic calming submitted by public and forwarded to the Ward Councillors to undertake screening exercises to establish the need for such requests.

4. FOR DECISION BY

By Subcouncil.

Delegation 24 (11) (1) - To decide within its area of jurisdiction where traffic calming measures are to be applied within the relevant legislation and policy and after considering a report from Transport and Urban Development Authority.

5. EXECUTIVE SUMMARY

The Council of the City of Cape Town adopted the Traffic Calming Policy on 28 May 2008 (vide C11/05/08) and amended on 22 July 2011 to ensure the safety of all road users on residential streets through a multidisciplinary approach. The programme of management of the Traffic Calming Policy identifies the role, responsibilities and procedure to be followed by Councillors and the Manager of a Subcouncil.

This report specifically deals with requests for traffic calming measures in a residential street from members of public submitted to their respective Ward Councillor who undertook a screening exercise at his/her discretion, to give credence to the request. Once noted by the Subcouncil, the request will be submitted to the Transport, Roads and Stormwater Department for assessment and approval.

The following new request for traffic calming measures for Ward 17 was received for assessment:

Constitutional and Policy Implications

TRAFFIC CALMING POLICY – approved by Council on 28 May 2008, C11/05/08

The Policy endeavours to ensure that the City use remedial engineering measures where appropriate to improve safety for all road users, with special focus on vulnerable road users, on residential street (Class 50 and local distributors (Class 4). The policy highlights that the improvement of road safety on residential streets can be accomplished through the attainment of the following objectives:

- The reduction of vehicle speeds to appropriate levels;
- The removal of excessive extraneous traffic;
- The enhancement of facilities for vulnerable road users; and
- A uniform traffic management approach across the City.
