Hi Colleen

Please can you send me on the outstanding things to do ..  
I guess only Asanda and Thando are the only inspectors to sign my application.  
We are busy with our ventilation.  
The job is starting on the 2nd of June and it should be complete by the 3rd of June.

The rest of the inspectors have signed everything i guess.  
There was a sheet with inputs of various inspectors, perhaps can you please forward that to my email please.  
Just wanna be sure if that ventilation is the only thing outstanding in my shop.

Thanks  
Shank

Is there anything that we need to. Do?

Grandslots will be installing aircon which will add to the ventilation requirement.

However they cannot put aircon in without the machines.

Yes, after a thoroughly reconsideration. We agreed that you do not need an AIA.

However, We have notice that there is a lack of ventilation inside your premises.

The above requirement has been forwarded to Ms Colleen via notification on Business licence Application.

Hope the above email will find you in order.
