Re: WCP 034939 SHARKIE'S KOOP & LOOP EXTENDED LIQUOR TRADING HOURS

Dear City of Cape Town

The Ocean View CPF would like to object to the extension application.

We are inundated during weekends, public holidays and festive season with requests for Police and or Law Enforcement presence due to the increased rate of violence, crime and gang activity.

We believe alcohol has a major impact on this and more especially since alcohol sales are allowed over this period, literally on the doorstep of the public, making it easily accessible.

This Liquor store is situated in a residential zoned vicinity, where we believe the sales of alcohol should have been permitted.

The Community becomes chaos over the weekend due to the abuse of liquor and blatant neglect to the law. The CPF exco is inundated with complaints from public as SAPS do not have the manpower to police the Area over a weekend.

This outlet has a fair opportunity to trade according to its current liquor trading license, and have ample chance to generate an income according to its approved trading time, while the greed to generate more revenue impacts the need to police the area.
