MEMBERS OF THE PUBLIC

Charlene Marshall	Jobseeker
Alistair Galant	Jobseeker
Michaela Isaacs	Jobseeker
Roxanne Martin	Jobseeker
Teresa Williams	Jobseeker
Liesel Geduld	Jobseeker

The Roadshow started at 09:00.

Members of the public were invited to attend the Roadshow to interact with the relevant Departments for an information session at the Westlake Community Church Trust. The Road Show was advertised through the Subcouncil's Community Database.

Information was communicated to members of the public that were present on how Departments operate. They were also informed on how to contact different Departments in case of emergencies or even for daily queries and complaints.

Ald Twigg as well as Cllr Penny East was in attendance, greeting all staff and members of the public. He thanked each Department personally for being in attendance and for informing the members of public regarding the services that the City has to offer. He emphasised that the City could not operate without the hard work of the Officials.

Subcouncil 20 was in attendance as well. Jobseeker forms were provided to seven members of the community who were unemployed.

Jobseeker forms were completed and copies of their identity documents were printed. The forms have since been captured at the Subcouncil Office and their names are in the system for employment.

QUESTION & RESPONSE

A lady requested that arrangements be made with Home Affairs for its mobile office to visit Westlake on Saturdays as people were unemployed and did not have money for travelling.

She was informed by Mrs Francis that it was not a municipal function but that the request would be conveyed to Cllr East. This was done and Cllr East advised that she would follow-up the request with Home Affairs.

Overall, this event was not well attended.

THE MEETING ENDED AT 13:00
