3. EXECUTIVE SUMMARY

The Calendar of meetings for Council and its committees for the period January to December 2020 was compiled in consultation with the Chief Whip, the Speaker and various other role players, this having taken cognisance of the governance structure of its committees as adopted by Council.

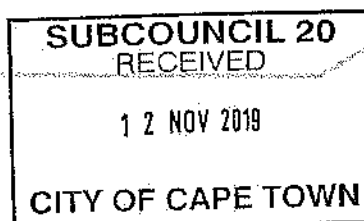

An extract of meetings for Subcouncil 20, taken from the full Council Calendar of meetings is submitted as Annexure A.

4. RECOMMENDATION

Subcouncil 20 to note the meeting dates for Subcouncil 20 approved by Council for 2020.

5. DISCUSSION/CONTENTS

The Calendar of meetings for Council and its committees for the period January to December 2020 was compiled in consultation with the Chief Whip, the Speaker

and various other role players, this having taken cognisance of the governance structure and its committees as adopted by Council.

This report reflects the standard days of Subcouncil 20 meetings, namely Wednesday, being the Subcouncil Meeting, requests for Activity Days should be requested from the Chief Whip if and when the necessity arises.

Should members of Subcouncil 20 feel the need to change this arrangement, the meeting must decide this in accordance with the Council Calendar of meetings attached to the report as Annexure B.

Activity days can be used for any business that the Subcouncil decides such as site inspections, policy and by-laws considered at a Subcouncil meeting but requires in-depth discussion, in this instance a workshop can be arranged.

It must be emphasised that the Subcouncil meeting day is a day which commences at 10:00 in the previous tenure in order that the Subcouncil Political Leadership could caucus on matters pertaining to the agenda. This report seeks to determine whether the status quo remains.
