Dear Sir/Madam,

APPLICATION IN TERMS OF SECTION 42(m) OF THE MPBL FOR PERMISSION REQUIRED IN TERMS OF THE CONDITIONS OF APPROVAL: ERVEN 28226 AND 28227 (REGISTERED AS ERF 26397), KUILSRIVIER

Application is hereby made, on behalf of the registered owner, Amphoria (Pty) Ltd, in terms of Section 42(m) of the City of Cape Town Municipal Planning By-Law, 2015 (MPBL), for the permission required in terms of the conditions of approval of the previous application (references 70379121 / 1500135043). The application gives effect to the said conditions of approval, which require an electrical substation, being a utility service, to be provided on the property, being Erven 28226 and 28227, Kuilsriver (registered as Erf 26397 and held under Certificate of Consolidated Title

In order to accommodate the substation, one (1) portion (Portion 1, 12m²) is excised from each of Erf 28226 and Erf 28227, leaving Remainders of 2789m² (Community 1) and 15143m² (General Residential 4) respectively. Both portions are rezoned to Utility and consolidated into a single land unit of 24m² (Figure abcdC), on which the substation is to be constructed. All extents are approximate and subject to final survey.

Erf 28226 is zoned Community 1, which does not provide for a utility service, while Erf 28227 is zoned General Residential 4, under which a utility service is permitted only by way of a consent use. Portion 1 of each erf is accordingly rezoned to Utility, both to authorise the substation and so that the two portions carry a common zoning and can be consolidated. As the application includes a rezoning, it cannot be dealt with as an exempted subdivision in terms of Section 67 of the MPBL; the permission is accordingly sought in terms of Section 42(m), the application arising directly from the need to fulfil the previous conditions of approval.

Please find herewith attached the following:

1. Application Form
2. Power of Attorney
3. Resolution
4. Title Deed
5. General Plan
6. Locality Plan
7. Subdivision and Consolidation Plan
8. Previous Approvals

It is accordingly requested that the permission required in terms of the conditions of approval, together with the associated subdivision, rezoning and consolidation described above, be granted.

Trust the abovementioned suffices.

Kind Regards,

Karla Burger
