➤ Golden Arrow service travelling through Green Point Area

All services along Somerset/Main Road Green Point between Buitengracht and York Road will run along Helen Suzman Boulevard after 13:00 on Saturday and 10:00 on Sunday. Passengers using this service may board or disembark at the stops either side of the closures at Buitengracht or York Road.

➤ Golden Arrow service entering the CBD

The Waterfront service (CBD bound) will operate via the CTICC, turning right into Heerengracht, stopping opposite Standard Bank, proceeding around the circle, back down Heerengracht and on to the Waterfront. The Waterfront/Sea Point service will continue to operate on its normal routes but may be subject to delays.

➤ MyCiTi Waterfront service

- The normal scheduled service will **not** be free of charge.
- Delays due to congestion expected in the Waterfront could occur.
- The service will stop at the Stadium bus station en route to the Waterfront and then will be rerouted from Helen Suzman Boulevard into Portwood Road, turning left into Beach Road and right at the traffic circle into Granger Bay Boulevard.
- Granger Bay bus station will be closed for this period while all other stops and services on the Gardens-Civic-Waterfront route will remain operational.
- Passengers may use the Waterfront (in Breakwater Lane), Stadium bus station and/or Buitengracht stops as alternatives to the Granger Bay bus station.

- Ticket holders must formally request access to the parking bays dedicated to people with disabilities by sending an e-mail to MingonV@sarugby.co.za.
- Eventgoers will have to provide evidence that they are entitled to these parking bays by clearly displaying the Vehicle Access Permit (VAP) in full colour on their dashboard when entering the parking area (P5) on Vlei Road. Failure to display will result in access being denied.

DROP-AND-GO

Attendees may be dropped off and collected at the following appropriately signed locations;
