

The Happy Household Map

Insulate your hot water pipes and geyser with lagging. Make sure your geyser is not set too high. Optimum settings are 50 degrees in summer and 60 degrees in winter. Fit a timer to your geyser power supply or switch it off manually so that it doesn't heat water when it's not needed.

Insulate your ceiling so that your home stays warm in winter and cool in summer.

Solar panels save electricity and maximize an abundant resource.

Fix all dripping taps and leaking pipes in your home. A dripping tap can waste up to 60 litres of water a day.

Place a brick or bottle filled with water in your toilet cistern.

We're doing this school project entirely from recycled materials.

Are these clothes all recycled? I can't believe it!

Yes! And this top and trousers are made from plastic bottle tops!

Store rainwater in tanks. Then use this water to water the garden and wash the car.

Drop-off Zone

Grey water from your shower, bath and sinks can run directly into your flowerbeds.

The kitchen is a key area in your home. Be Waste Wise.

When preparing food separate items for recycling. Organic matter for compost and fruit for the bird feeder.

Replace your incandescent light bulbs with low energy bulbs.

Vegetable gardens put food on the table, save money and trips to the shops. There are many vegetables that grow quickly and easily.

Create a compost heap for grass clippings and vegetable matter. Make a bird tray for apple cores, stale bread and pips.

Thank you for taking all our electronic waste, rubble, metal & wood. These clothes are for your charity too.

Always check if plastic packaging is recyclable. Rinse items and separate if possible: plastic, glass, cans, paper, organic and general rubbish.

Support entrepreneurs who collect materials for recycling.

Always pick up litter. We are all responsible for keeping our City tidy.

This worm bin ensures all my vegetable scraps are broken down into perfect compost. It's so easy!

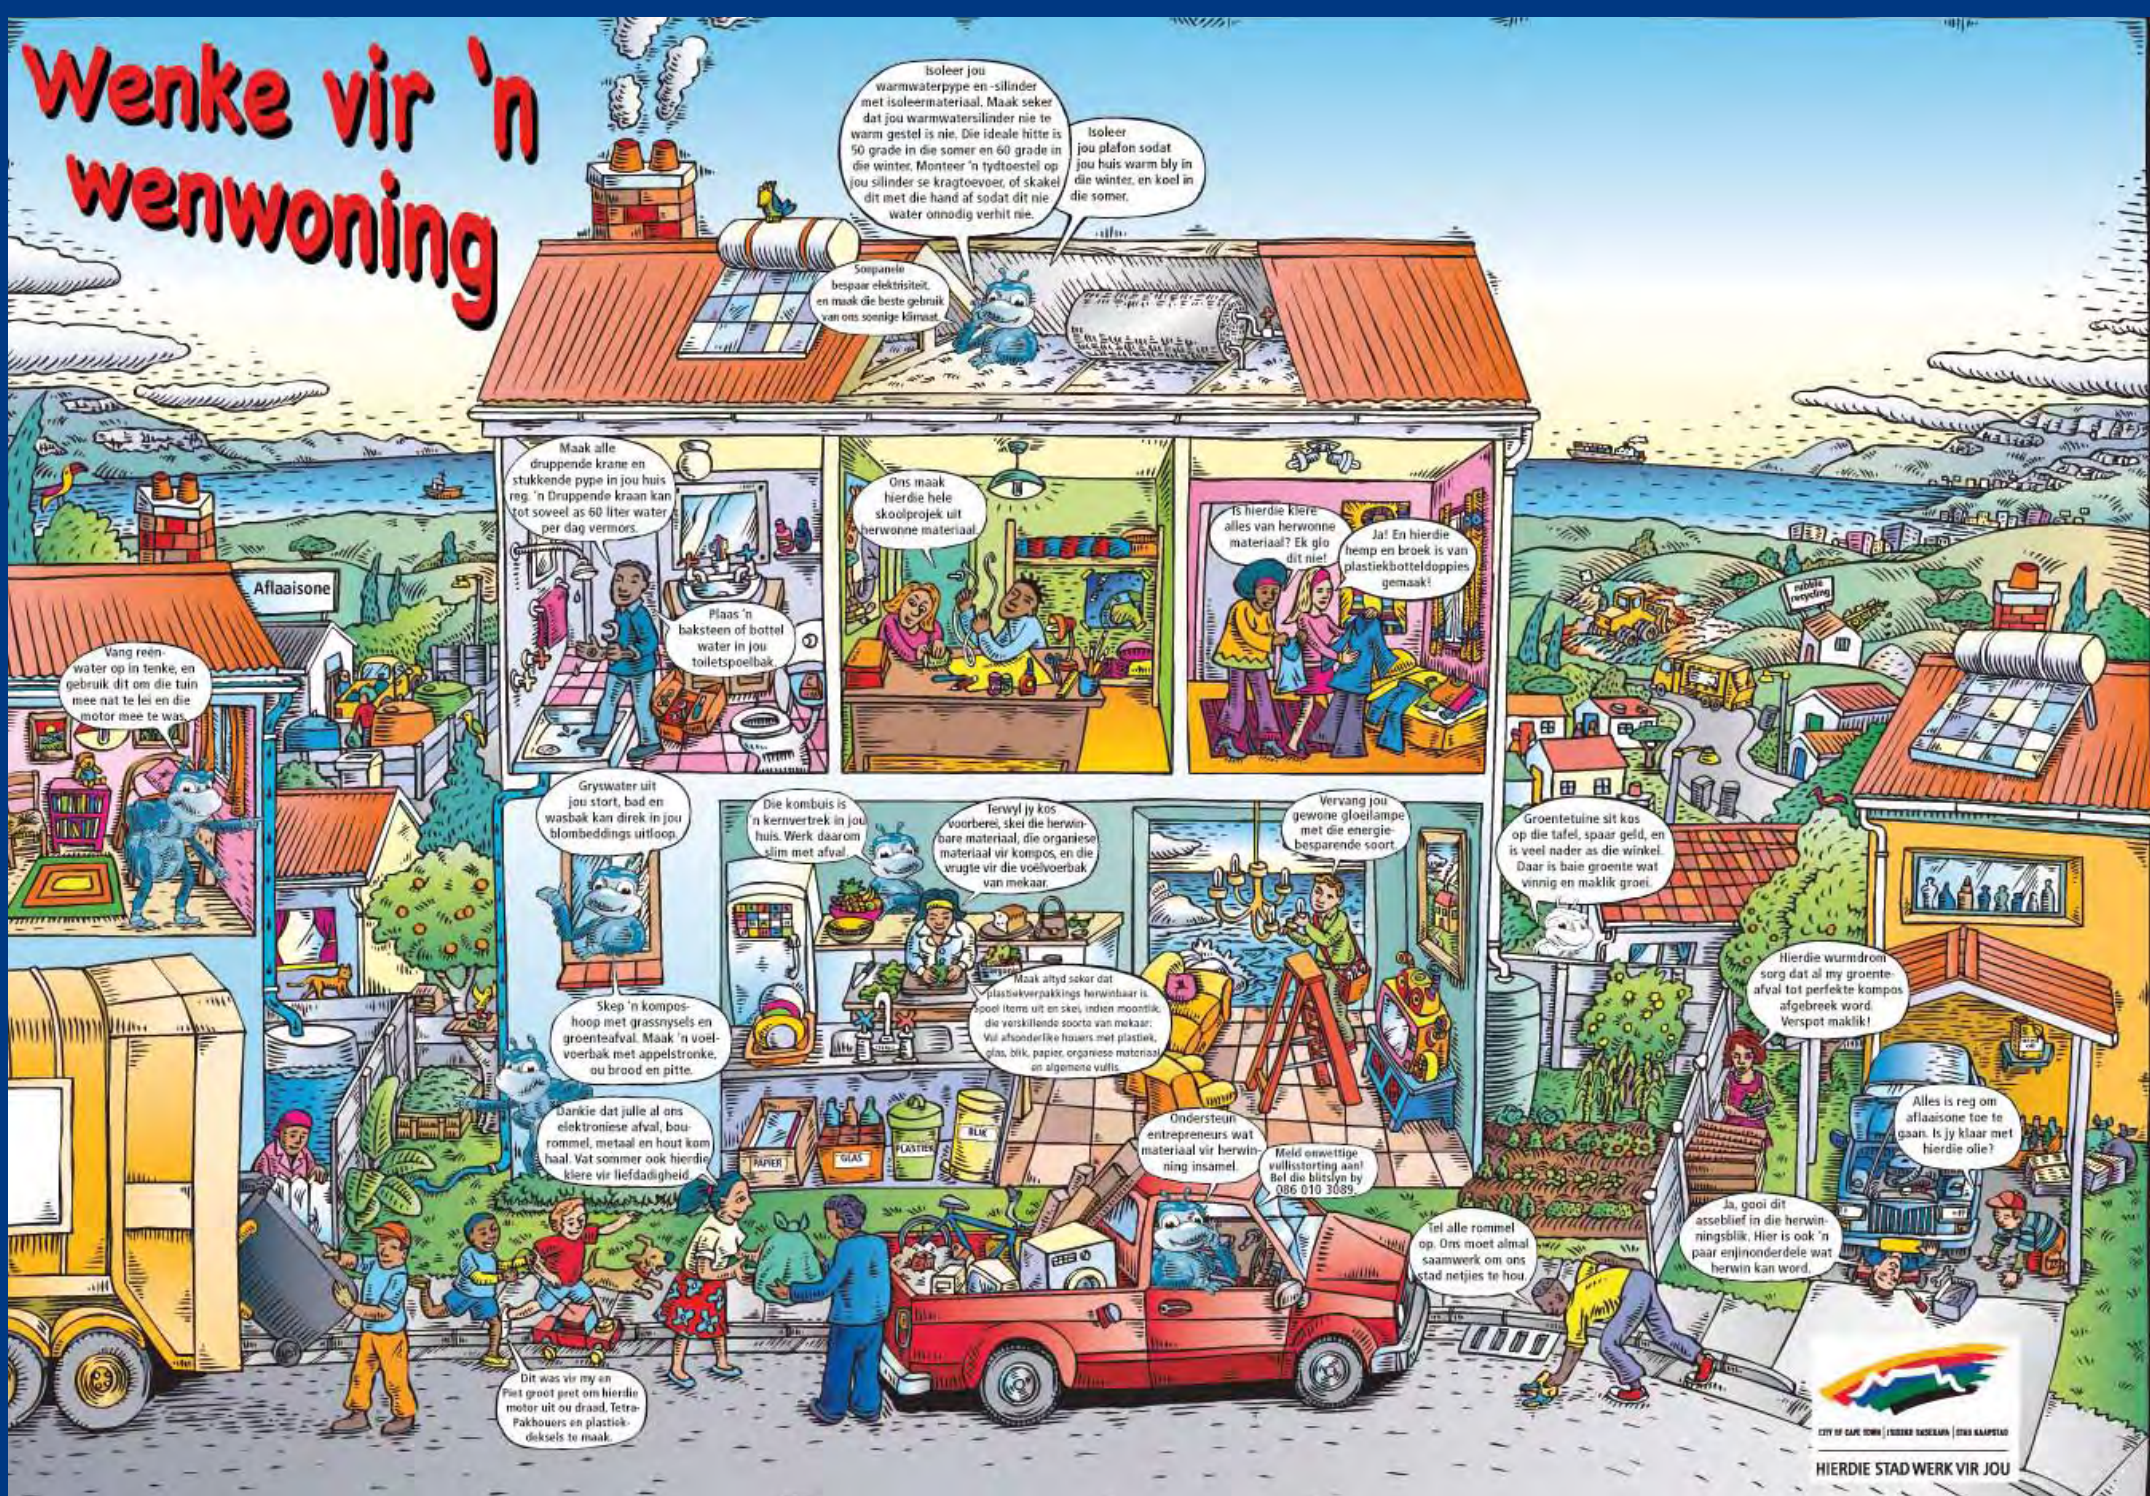

Everything is ready to go to the Drop-off Zone. Are you finished with this oil?

Yes. Please pour it into the recycling can. There are also some engine parts that we can recycle.

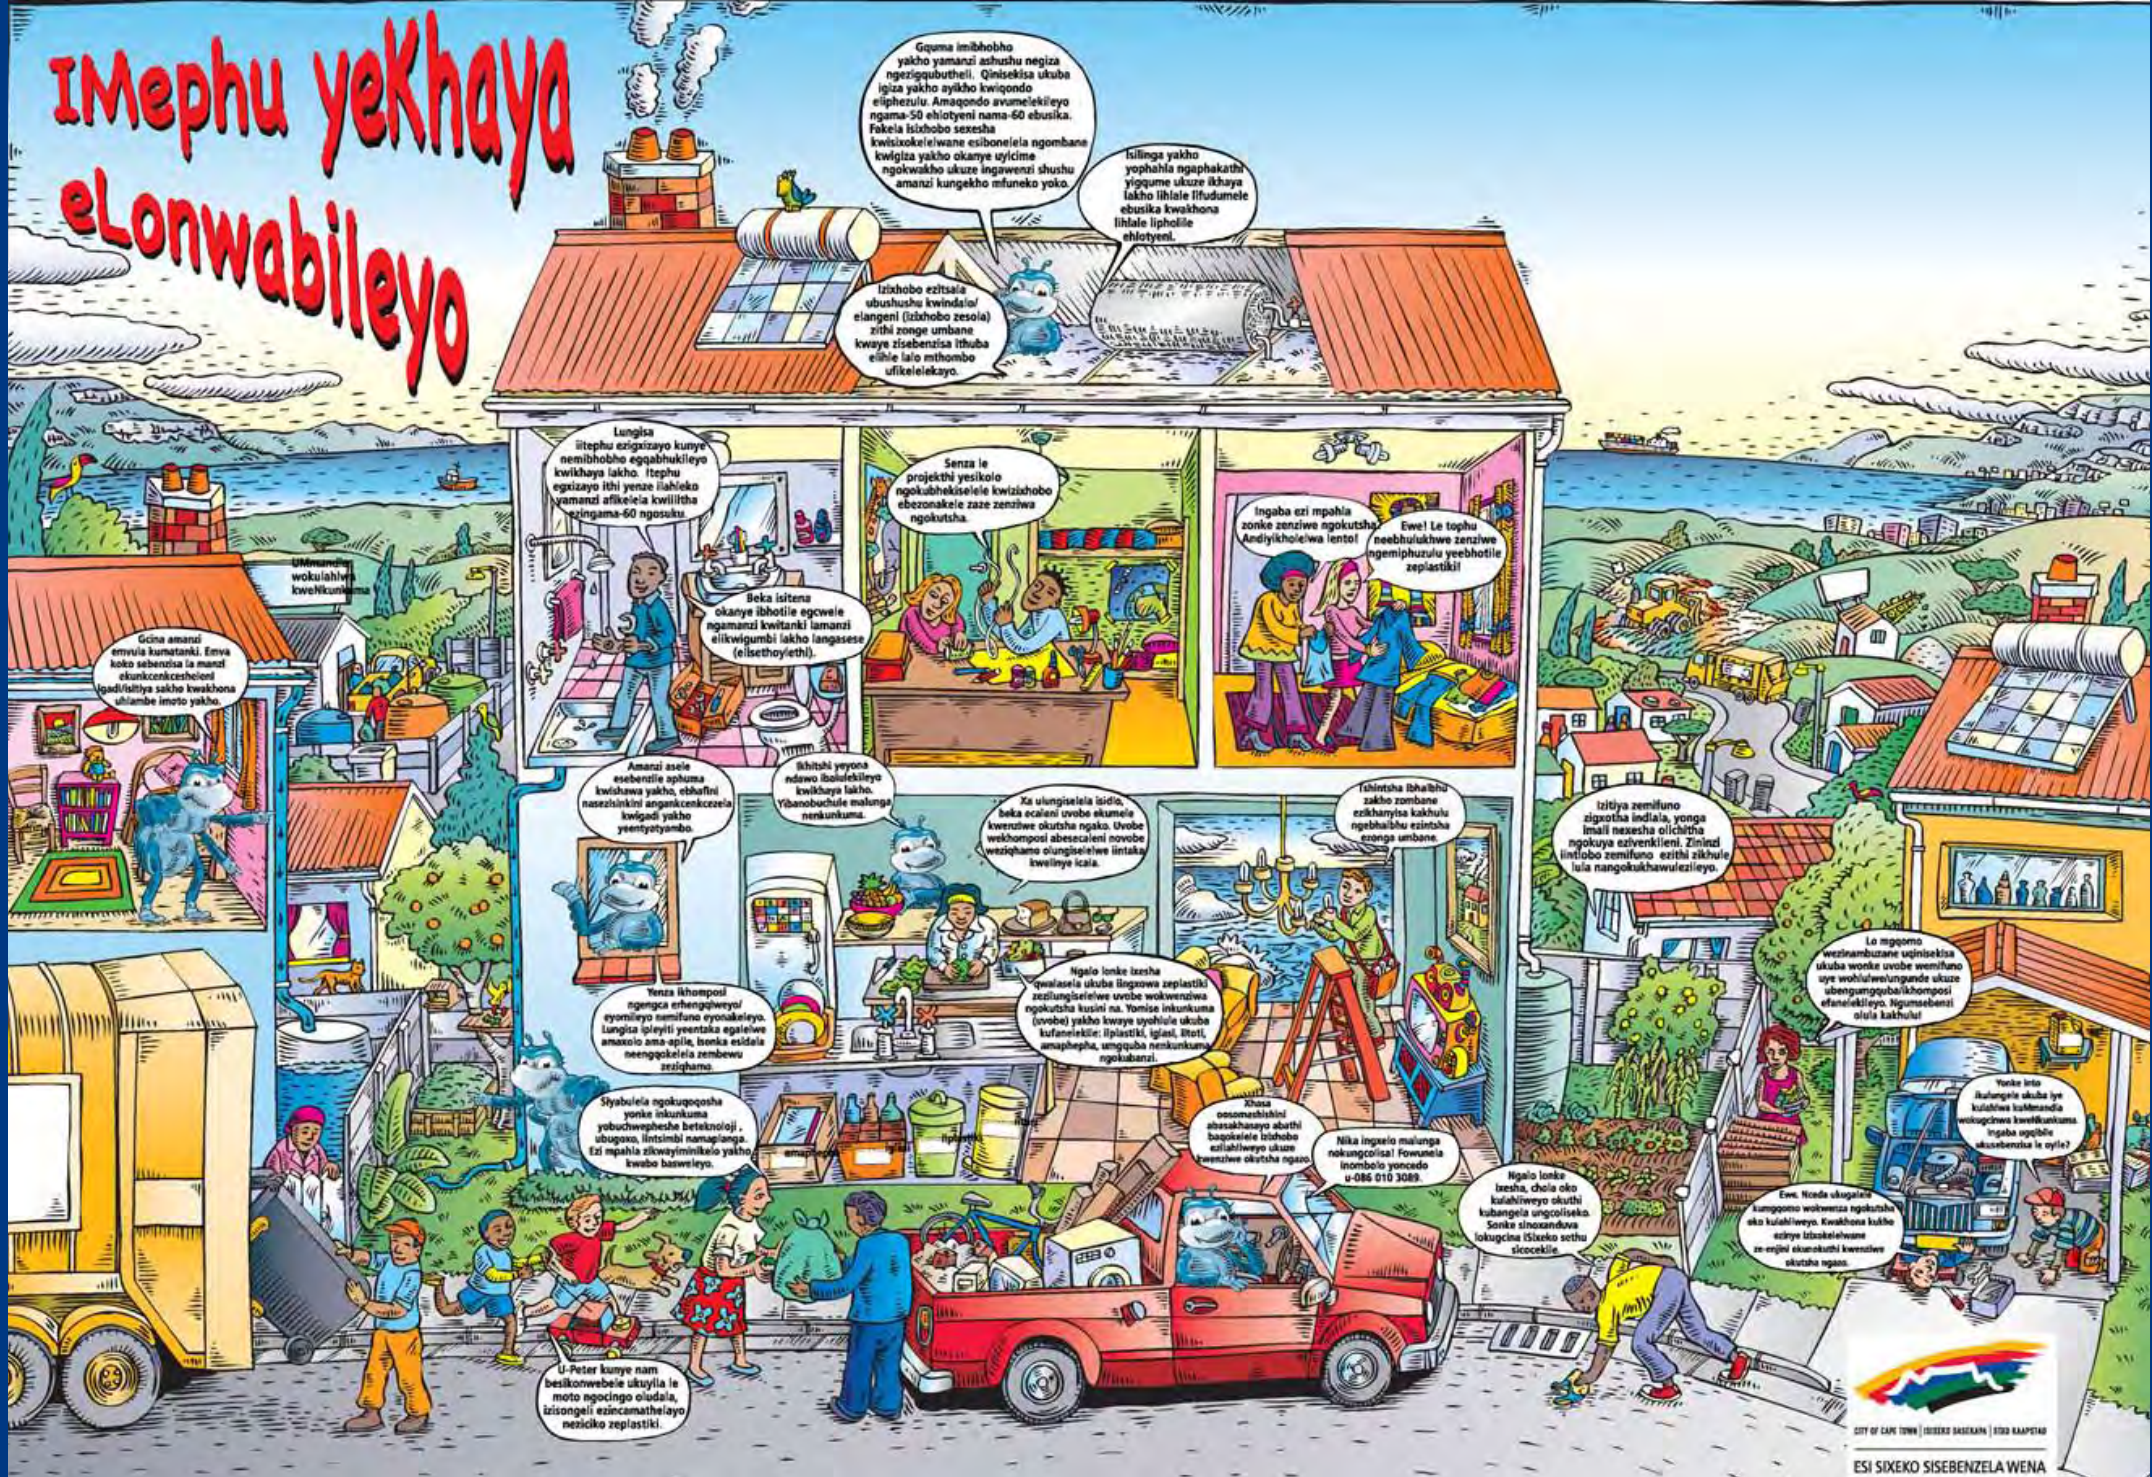

Pete and I had fun making this car out of old wire, tetra packs and plastic lids.

IMEPHU YEKHAYA eLonwabileyo

Gquma imibhobho yakho yamanzi ashushu negiza ngeziqubutheli. Qinisekisa ukuba igiza yakho ayikho kwigondo eliphezulu. Amaqondo avumelekiweyo ngama-50 ehlonyeni nama-60 ebusika. Fakela isixhobo sexesha kwisizokolelwane esibonelela ngombane kwigiza yakho okanye uyicime ngokwakho ukuze ingaweni shushu amanzi kungekho mfuneko yoko.

Iilinge yakho yophahla ngaphakathi yigqume ukuze ikhaya lakho lihale lifudumele ebusika kwakhona lihale lipholile ehlonyeni.

Izixhobo ezisala ubushushu kwindala/ elangeni (izixhobo zesola) zithi zongcwe umbane kwaye zisabenzisa iibhumba ebiele lalo mthombo ufikelelekayo.

Lungisa iitephu ezizizayo kunye nemibhobho egqabhukileyo kwikhaya lakho. Itephu egqizayo lithi yenze iakhoba yamanzi afikelela kwilitha ezingama-60 ngosuku.

Beka isitena okanye ibhotile egqwile ngamanzi kwitanki lamanzi elikwigumbi lakho langasese (elisekholweni).

Amanzi asele esebentile aphuma kwishawa yakho, ebhaffini nasezinkini angancikelela kwigadi yakho yeentotyotyambo.

Ibhithi yeyona ndawo ibizulekileyo kwikhaya lakho. Yibanobuchule malunga nenkunkuma.

Yenza ikhomposi ngegca ehlanganyelwe eyomileyo samifuno eyonakeleyo. Lungisa ipleyiti yeentaka agasilewe amanzi emva apile, bese isidala neengqokelela zembeu eziluhlobo.

Sityabulela ngokugqosha yonke inkunkuma yobuchwephesha beteknoloji, ubugqiso, iintsimbi namapanga. Ezi mpahla zibuyimnikelo yakho kwabo banwelelyo.

U-Peter kunye nam besikowebhe ukuyila le moto ngocingo oludala, lisongeli ezincamathelayo neziciko zeplastiki.

Senza le projekthi yesikolo ngokubhekiselele kwizixhobo ebezona kile zase zenziwa ngokutsha.

Ingaba ezi mpahla zonke zenziwe ngokutsha Andiyikho/iwa lentlo?

Ewe! Le tophu neebhulakwe zenzwe ngemphuzulu yeebhotile zeplastiki!

Ngalo lonke ixesha qwalasela ukuba lingxowa zeplastiki zexilungiselelwe uvobe wokwenziwa ngokutsha kusini na. Yonisa inkunkuma (uvobe) yakho kwaye uyohlupele ukuba kufanelekile: iplastiki, iglasi, iroti, amaphepha, umgquba nenkunkuma ngokubanzi.

Xa ulungiselela isidlo, beka ecaleni uvobe ekumelwe kwenziwe okutsha ngoko. Uvobe wekhomposi abesicaceni novobe wezixhobo olungiselelwe iintaka kwilinye icala.
