- Seasons: "Peak season" is our busy season and will run from **01 September to 28 February**. During this season, all traders will trade for a minimum of five (05) days per week or more. Trading will take place during the Tygerberg Nature Reserve's operational hours.
- "Out of season" is our quiet season and will run from **01 March to 31 August**. During this season, traders will make a monthly payment but minimum trade will be two days per week or more. Trading will take place during the Reserve's operational hours.
- Trading Hours: Trading Hours: Weekdays Opening: 07:30 Closing: 17:00
- Weekends and public holidays Opening 07:30. Closing: 18:00
- Food stalls: Health and Safety and General Trading rules:
- Informal trading is permitted only within demarcated areas as designated by the Blaauwberg Nature Reserve. Conditions for informal trading are subject to the Informal Trading By-law. Please visit <http://www.capetown.gov.za/bylaws> and click By-Law - Informal Trading, for further information.
- All vendors that will handle food must produce a valid health clearance certificate and/or comply with equivalent requirements; and any additional environmental health issues should conform to the Health Act, Act 63 of 1977. Please visit <http://www.capetown.gov.za/bylaws> and click By-Law - Environmental Health, for further information.
- All fire safety related issues (e.g. use of gas cylinders, access and egress for emergency vehicles, etc.) are to conform to the City of Cape Town Community Fire Safety By-law (Bylaw 11257), made under the Fire Brigade Services Act, Act 99 of 1987. Please visit <http://www.capetown.gov.za/by-laws> and click By-Law - Community Fire Safety, for further information.
- The removal of litter and any form of debris must be to the satisfaction of the City of Cape Town. Please visit <http://www.capetown.gov.za/by-laws/bylaw> and click By-Law - Dumping and Littering, for further information.
- Any change in the environment caused by any substance emitted into the atmosphere from any activity, where that change has an adverse effect on human health or well-being or on the composition, resilience and productivity of natural or managed ecosystems, or on materials useful to people, or will have such an effect in the future must be complied with in terms of the City of Cape Town: Air Pollution Control By-law (Bylaw 12649). Please visit <http://www.capetown.gov.za/by-laws> and click By-Law - Air Pollution Control, for further information.
- In terms of the "Municipality of the City of Cape Town: Water Services By-Law, to Limit Or Restrict The Use Of Water" published in the Provincial Gazette No. 5994 dated 28 March 2003, that, with effect from 1 October 2004 and until further notice, certain restrictions, subject to the exemptions provided for, shall apply within the boundaries of the City of Cape Town.
- A monthly inspection will be done by our Law Enforcement and Compliance Unit and staff of the Blaauwberg Nature Reserve.

The following is to be on sight and adhered to when trading:

- A valid Health Certificate from the Health Department
- A valid fire extinguisher
- Clean fresh water
- If a generator is being used then a water proof sheet must be placed at the bottom of it to prevent any oil or petrol from spilling onto the ground
- Black bag for waste to prevent littering
- No tents are allowed for trading purposes
- Not allowed to sell cigarettes, alcohol or any other illegal substances
- No branding e.g. coca cola signs, nestle ice-cream etc.
- No pets of any kind are allowed into the nature reserve
- Anything else that could be harmful to the natural environment is prohibited

REQUIREMENTS FOR HAWKERS.
