| S                                                                        | 6.1 | 40 A single phase connection (split PPM and, if applicable, readyboard). Applicable to group low cost housing developments, low cost housing infill connections, informal settlements, backyard dwellings and customers listed as indigent as set out in the City's Credit Control and Debt Collection Policy. | each | Applicants in low cost housing developments or informal settlements approved for servicing, who meet the criteria set out in the tariff policy, will qualify for the subsidised connection fee. In addition to these criteria, backyard dwellings will also qualify for a subsidised connection but only in areas where the electricity infrastructure has been upgraded specifically to accommodate backyard dwellings, according to the Department's standard for the electrification of backyard dwellings. | 1004.96      | 1155.70   | y      | 1 039.13     | 1 195.00  | 3.40%                 |
