THE CITY OF CAPE TOWN'S NEW FIVE-YEAR INTEGRATED DEVELOPMENT PLAN 2027 - 2032

The City of Cape Town is in the process of drafting the new term of office five-year Integrated Development Plan (IDP) (2027 – 2032).

The IDP will be the principal strategic planning instrument that will guide all planning and development envisaged over the next five-year term of office.

IDP Process Plan

Section 28(3) of the Local Government: Municipal Systems Act states that a municipality must give notice to the local community of particulars of the process it intends to follow.

Notification is hereby given that the City of Cape Town's Council adopted the IDP Process Plan (2027-2032) on 19 November 2026.

Inputs for drafting of the IDP (including corporate scorecard)

In terms of section 16(1)(a)(i), 17 and 29(1)(b) of the Local Government: Municipal Systems Act, Act 32 of 2000, the local community must be consulted on its developmental needs and priorities and must participate in the drafting of the IDP.

As part of a comprehensive campaign to ensure that all residents of the city are able to participate in the drafting of the new term of office IDP, various tools will be utilised to obtain community input on their developmental needs.

The public engagement process for drafting the new term of office IDP is from 20 November 2026 until 20 January 2027.

Input in respect of the drafting the new term of office five-year Integrated Development Plan (IDP) (2027 – 2032) can be submitted in the following ways:
