Lane Restrictions

Lane restrictions will be implemented as part of the event requirements to allow for uninterrupted traffic flow on a major roadway. This will also ensure dedicated running lane for participants of the race. Points-men / Marshals and Traffic Officers will be in attendance to assist with smooth implementation and execution of these lane closures. Signage will also be used to highlight the restrictions ensure visibility to general traffic within the vicinity.

See table below for details.

Street	Between	Equipment	Times
Spine Road	Merrydale Rd & Park Ave	Lane Reduction Sign Cones Traffic Vehicle	05:45 – 07:15
Merrydale Road	Spine Rd & Eisleben Rd	Cones	06:00 – 09:30

No Stopping Signage

No Stopping signs will be deployed prior to the event set up to ensure that vehicles are not parked within parts of the identified event space and to keep parking areas clear prior to the road closure being implemented.

No stopping restriction will be implemented on **Saturday, 19 November 2022, at 04:00**. The no stopping signs will be moveable stands that will be secured with sandbags.

No stopping signage will be required in the following location:

Street	Between	Quantity
Caravelle Road	Weltevreden Rd and Park Ave	20
Spine Road	Merrydale Ave & Park Ave	10
Pavilion Road	Baden Powel Dr & Lukannon Rd	20

Allowances and Deviations (Detours)

All residents and business will be accommodated where possible with local access restrictions being implemented to allow for deliveries and collection. Deviations will be communicated to all affected parties (as far as possible) and alternate routes provided where access is restricted.
