PROPOSED ONE-WAY ROAD CONVERSION OF MOLTENO ROAD FROM VOORTREKKER ROAD TOWARDS DINGLE ROAD, GOODWOOD

The City of Cape Town's Urban Mobility Directorate invites residents, parents, and road users to comment on a proposal to introduce a permanent northbound one-way system along Molteno Road between Voortrekker Road and Dingle Road, Dingle Road between Molteno Street and Paarl Street, and a time-based eastbound one-way system along Merriman Road between De Villiers Street and Molteno Street in Goodwood. This proposal is designed to improve traffic flow, enhance safety, and create a more organised road environment around De Vrije Zee Primary School and improve congestion along the Magistrates court and Department of Labour office during the peak parking period. An area with many vulnerable road users during busy drop-off and pick-up times. By participating in this process, your insights and feedback can help shape a safer, more efficient neighbourhood for everyone.

Please refer to the area map to note the proposed permanent one-way road conversion of Molteno Road between Voortrekker Road to Dingle Road, Dingle Road between Molteno Street and Paarl Street and time-based one-way road conversion of Merriman Road between De Villiers Street and Molteno Street.
